Ontario 1994

SPORT FISHING REGULATIONS

SUMMARY

Minister's Message

Ontario is a great place to fish. Residents and tourists can find a wide range of sportfishing opportunities on Ontario's lakes, rivers, streams and waterways. We must ensure that the great fishing opportunities enjoyed today remain for future generations.

Maintaining and protecting healthy aquatic ecosystems is essential to maintaining the quality of sportfishing in Ontario. A framework for action is provided by the revised **Strategic Plan for Ontario's Fisheries** (SPOF II) which guides Ontario's fisheries management activities through this decade and beyond.

SPOF II was developed through extensive public consultation and recognizes the need for public support and understanding to protect and sustain Ontario's fish populations.

Healthy aquatic ecosystems depend on a healthy global environment. Fisheries resource management must consider a wide range of activities, from urban and industrial development to rural land uses. We must also control other threats to aquatic ecosystems, including pollution, overfishing, and invasions by exotic species, such as zebra mussels.

The ecosystem management ideas in SPOF II are reflected in the new MNR organization introduced in 1993. Staff in our district offices and main office now work in multi-disciplinary teams.

We have made progress in protecting fish habitat, restoring depleted fish populations and creating exciting fishing opportunities.

An ecosystem approach to fisheries and aquatic resources management will help ensure memorable sportfishing experiences now and in years to come.

I wish everyone a safe, enjoyable 1994 fishing season.

A stylized, handwritten signature of Howard Hampton in dark ink.

Howard Hampton
Minister

How to Use this Summary

1. Read the general regulations on pages 1-13. Be sure that you have the right kind of fishing licence and any tags you need, and that you understand the gear and other restrictions outlined here.
2. Turn to the *map* of the area where you plan to fish (A, B, C or D as shown below).
3. Check the list of *fish sanctuaries* for your area. If a water body is listed as a fish sanctuary between certain dates, you may not fish for *any* species.
4. Consult the table for *open season* information about the species you intend to fish for. Be sure to read any *exceptions* to this in the list following the table.
5. Check the *catch and possession limits* and *size limits* for the species you plan to fish for.
6. If you are not sure about whether you can fish at a certain time and place, or if you have any questions about the regulations, contact the local Ministry of Natural Resources office (see page 51).

General Fishing Areas

Map A — page 14

Map B — page 22

Map C — page 28

Map D — page 35

IMPORTANT NOTICE

This booklet is a summary prepared for convenience only. It is not a complete listing of Ontario's fishing regulations. A consolidation of the complete regulations is available for a small fee from the Ministry of Natural Resources, Queen's Park, Toronto. For more detailed information, consult the *Game and Fish Act*, the *Fisheries Act*, the Ontario Fishery Regulations and the Ontario Regulations.

New Regulations

Lake Scugog Winter Season

The closed time for fishing on Lake Scugog (Div. 6) has been extended. The fishery will now close on November 15, re-open January 1 and close again on the last day of February (rather than March 15). Ice huts on Lake Scugog must now be removed by the last day of February.

Resident One Day Sport Fishing Licence

A sport fishing licence which is valid for one day is now available to residents of Canada. This licence will have standard catch and possession limits. Sport fishers holding an Outdoors Card can purchase this licence for \$10.00 including the Federal GST.

Residents who have not yet purchased an Outdoors Card can get the card and licence for a combined fee of \$10.00.

Other Regulatory Changes

Please read sections of the Regulations Summary that are about the area in which you will be fishing to check for any changes to the regulations.

Ontario's Fishery Laws

Fishing in Ontario is regulated by both federal and provincial laws. The main federal law is the *Fisheries Act of Canada*, which protects and conserves fish stocks. The provincial legislation is the *Game and Fish Act*, which deals with licensing of fisheries. Both acts are designed to protect Ontario's fisheries, allowing sport and commercial fishers fair use of them now while preserving them for the future. All fishers have the responsibility of obeying these laws.

It is against the law to catch, try to catch, or possess any species if it is against fishery regulations to do so. If you catch a fish illegally, return it immediately to the water (see **How to Release Fish**, page 34).

It is illegal to harm fish habitat. The *Fisheries Act* defines habitat as "spawning grounds and nursery, rearing, food supply and migration areas on which fish depend directly or indirectly, in order to carry out their life processes."

PENALTIES FOR BREAKING FISHERY LAWS

The penalty for fishing offences against the *Fisheries Act* is a fine of up to \$500,000, a prison term of up to 12 months, or both. The penalty for destroying fish habitat, including placing harmful substances in the water, is a fine of up to \$1,000,000 or imprisonment for up to three years, or both.

LAWS

The Federal Fisheries Act

To enforce the *Fisheries Act*, the law permits a fishery officer to:

- enter and inspect, without a warrant, any place, premises, vehicle or vessel if the officer has reasonable grounds to believe there are any fish, fishing equipment, or related documents present, in order to ensure compliance with the Act;
- arrest, without a warrant, anyone the officer believes on reasonable grounds is committing (or has committed, or is preparing to commit) an offence against the Act;
- enter and pass through or over private property in the course of duty.

The Provincial Game and Fish Act

The *Game and Fish Act* is enforced by conservation officers and deputy conservation officers. Note that all conservation officers are also fishery officers with power to enforce the federal *Fisheries Act*. A conservation officer may enforce the *Game and Fish Act* by:

- arresting anyone found contravening the Act;
- stopping a vehicle or vessel to determine if the occupants have been hunting, fishing, or to determine the number and species taken.

If the officer believes, on reasonable grounds, that someone illegally possesses fish, the officer is authorized to do any of the following without a search warrant:

- stop, enter and search any aircraft, vehicle or vessel;
- enter and search any fishing, hunting, mining, lumber or construction camp;
- open and inspect any trunk, box, bag, parcel or other container.

If the officer finds any fish caught or held illegally, or any equipment, vehicle, vessel or other item used illegally, the officer may seize them without a warrant.

Conservation officers operate random "Fish Check Stations" throughout the year. These stations are intended to protect and manage Ontario's fisheries, to collect information on fish caught by sport fishers in the province and to make sure the regulations are obeyed.

SPORT FISHING LICENCES

Most Canadian residents, as well as non-residents need a licence to fish in Ontario. You can get a licence at many tourist outfitters' camps and lodges, summer camps, hotels and sporting goods dealers. Some local MNR offices also issue licences. For Canadian residents the licence will take the form of an Outdoors Card and a licence tag. For non-residents the licence will be a paper form and a licence tag.

Your fishing licence must be fully completed when purchased. Be sure to sign it before you go fishing. It must have all appropriate tags attached to it to be valid. It is not transferable – that is, you cannot lend it to anyone. Read the details below carefully to find out what kind of licence and tag(s) you need.

Ontario Residents

If you are an Ontario resident (that is, you have lived in Ontario for at least seven consecutive months during the 12 months before you purchase the licence), you need a **Resident Sport Fishing Licence** or a **Resident Conservation Licence**. These licences allow you to fish for all species within the regulations. To purchase a licence, resident anglers must have an **Outdoors Card** or a temporary permit and card application form.

Prices (Including 7% Federal GST) are as follows:

Outdoors Card (valid for 3 years)	\$ 6.00
Resident Seasonal Licence	\$15.00
Resident Conservation Licence	\$ 7.50
Resident 1-day Licence	\$10.00

You do **not** need an Ontario Resident Sport Fishing Licence if you are under 18 years old or 65 years old or older. You may also fish without a licence if you are a disabled person. (A **disabled** person under these regulations is someone who is qualified for and is in possession of either a CNIB National Identity Card or a Ministry of Transportation disabled person parking permit or a photocopy (i.e. a person carrying a photocopy of the permit may be asked to show the original permit at a later date). Also, a person who has an intellectual impairment and requires the assistance of another person in order to fish may fish without a licence. People who fall into one of the above categories are considered to be licence holders. They have all the same rights and responsibilities, including limits on fish, as people who have purchased licences.

If you are a **status Indian** fishing on your home reserve or within a treaty area where fishing rights are part of the treaty, or within a defined traditional fishing area, you do not need a licence. Any fishing regulations stated in the treaty apply. You must carry your band card as proof of status. Please contact your local MNR Office if you need more information.

Dip-Net Permit to Take Fish For Personal Use

A person who has a resident sport fishing licence can get a free permit to dip-net for herring, whitefish and pink salmon in specified areas in the province. This permit is issued only from MNR offices.

A sport fishing licence is needed for smelt fishing.

Remember to carry your licence at all times when fishing. If an officer asks to see your fishing licence, the law states that you must show it.

Canadian Residents (Outside of Ontario)

You are considered a **Canadian Resident** if you have lived in any part of Canada for at least seven consecutive months in the 12 months before you obtain your licence. Canadian residents may buy either a Resident Seasonal Licence or a Resident Conservation Licence or a Resident One Day Licence and have the same rights and responsibilities as Ontario residents, except that disability exemptions do not apply.

Non-residents (Persons Living Outside of Canada)

Anyone who is not an Ontario resident or Canadian resident under the above rules is considered a non-resident. A **Non-Resident Sport Fishing Licence** allows you to fish with a hook and line and by means other than angling as outlined on page 10. Non-residents under 18 may fish without a licence if accompanied by a licensed adult. Any fish caught will legally be part of the catch and possession limit of the person who holds the licence.

Groups of children (at least five people under age 18) can fish under a special **Licence for Members of an Organized Camp**. You can only get this licence from MNR offices. It allows young people to fish when accompanied by an adult in charge. The adult must have a sport fishing licence.

Prices (Including 7% Federal GST) are as follows:

Non-resident Seasonal Licence	\$45.00
Non-resident Conservation Licence	\$22.50
Non-resident 7-Day Licence	\$30.00
Non-resident 7-Day Conservation Licence	\$15.00
Non-resident Spousal Licence (2 tags)	\$60.00
Non-resident One-Day Licence	\$10.00
Non-resident Licence for a Member of an Organized Camp (per child)	\$ 4.00
Border-water angling validation tag	\$ TBA

Licences for Border Waters

Provincial Border Waters

You may fish in Moar Lake (Div. 24) or High Lake (Div. 22) on the Ontario-Manitoba border with either an Ontario or a Manitoba fishing licence.

You may fish in Lake Timiskaming and throughout Div. 12 (Ottawa River and Lake St. Francis) with either an Ontario or a Quebec fishing licence.

International Border Waters

Non-residents who depart each day from outside Canada to fish in the waters of Lake of the Woods, Rainy River or Rainy Lake in northwestern Ontario must buy (in addition to other required licences) a *border water angling validation tag*, unless they hold one of the following at the time of sport fishing:

- a Crown Land Camping Permit;
- an Authorization to Camp on Crown Land;
- a contract for accommodation with the operator of a tourist establishment;
- a Campsite and Vehicle Permit;
- an Interior Camping Permit;
- a contract with an air carrier licensed by the Canadian Transport Commissioner and Transport Canada to fly to and from a fishing site within the waters described above.

This tag is **not** required for sport fishers who own land or have relatives (grandparent, parent, spouse, sibling or child) who own land in or adjacent to the following areas: Rainy River, Rainy Lake, Lake of the Woods, Cul de Sac Lake, Obabikou Lake and the Seine River system (including Grassy Lake, Little Grassy Lake, Shoal Lake, Wild Potato Lake and Partridge Crop Lake).

Please note that new regulations governing border water angling are currently being developed. Some of these changes may be implemented in 1994. Please contact the Fort Frances or Kenora MNR office for further details.

Lost Licences

If your licence is lost, stolen or destroyed, contact your local MNR office, or

Natural Resources Information Centre
Room M1-73, Macdonald Block
900 Bay Street
Toronto, Ontario
M7A 2C1

CATCH AND POSSESSION LIMITS

Fishery laws limit the number of fish you can catch or possess. The number will depend on the species, where they are caught and, in some cases, their size. The **catch** limit is the number of fish you are allowed to catch and keep in one day. Fish eaten for shore lunch are included in the daily catch limit. The **possession** limit is the number you are allowed to have in your possession – on hand, in cold storage, in transit, etc. Possession limits are the same as one day's catch limit except where otherwise specified.

Fish that have been lawfully caught and are suitable for food must not be destroyed or allowed to spoil.

Standard Licence

For details on catch limits for a standard licence, see the lists following the maps for each area (Area A - p.17; Area B - p.25; Area C - p.31; Area D - p.40). Unless otherwise stated, the possession limit is the same as one day's catch limit.

Conservation Licence

The catch and possession limits for a **Conservation Licence** are as follows, **except in waters where the limit has been restricted to less than numbers stated below**. Please check standard catch and possession limits for the waters in which you will be fishing. For example, the limit for Whitefish in Lake Simcoe (Div. 5) is two (2) for all licence types:

Northern Pike: Two (2) in one day

Walleye (yellow pickerel), Sauger or any combination of these: Two (2) in one day

Largemouth Bass, Smallmouth Bass or any combination of these: Two (2) in one day

Muskellunge: Zero (0) in one day

Sturgeon: Zero (0) in one day

Crappie: Divs. 8, 9, 10, 11, 12, 22 & 29 - Ten (10) in one day (no limit in other divisions)

Whitefish: Twelve (12) in one day

Yellow Perch: Divs. 17 & 28 - Twenty five (25) in one day (no limit in other divisions)

A. Catch and Possession Limit for Salmon and Trout COMBINED

Two (2) in one day with not more than one (1) lake trout.

B. Catch and Possession Limit for Individual Species of Salmon and Trout

(Subject to Combined Species Limits in Part A.)

Aurora Trout: Zero (0) in one day

Atlantic Salmon: Zero (0) in one day

Pacific Salmon: Two (2) in one day

Brook Trout: Two (2) in one day

Brown Trout: Two (2) in one day

Lake Trout: One (1) in one day

Rainbow Trout: Two (2) in one day

Splake: Two (2) in one day

Any fish caught beyond the legal limit must be released quickly and carefully (see How to Release Fish, page 34).

SIZE LIMITS

For some species of fish, there is a minimum size restriction. Sometimes there is also a maximum or slot size restriction. If you catch a fish outside the allowable size range, you must release it immediately. For details on size limits, see the lists following the maps for each area (Area A - p.17; Area B - p.25; Area C - p.31; Area D - p.40).

When measuring a fish, measure from the tip of the head with jaws closed to the tip of the tail with lobes compressed to give the maximum possible measurement.

FISHING SEASONS

Fishing season opening and closing dates vary depending on the species and the area. These regulations protect fish at vulnerable times of the year – especially when spawning or protecting their young. For example, if adult bass are caught in the spring, the eggs and young bass are left unprotected. They are likely to be eaten by predators. To prevent large losses to bass populations, the bass fishing season in most areas begins at the end of June, after the young are large enough to fend for themselves. **It is illegal to attempt to catch fish for which the season is closed, even if you are going to release them!**

An open season guide follows each of the maps in this booklet (Area A - p.15; Area B - p.22; Area C - p.28; Area D - p.36). **Always check the exceptions as well as the open season guide before fishing.** For species not mentioned in this guide, the sport fishing season is open all year.

Note that in many cases the season opening date is set as a certain day of the week (usually Saturday) at a given point in the month – for example, “last Saturday in April.”

FISH SANCTUARIES

Some bodies of water, or parts of them, are declared fish sanctuaries during certain times of the year. **No fishing of any kind is permitted in a fish sanctuary.** There is a list of fish sanctuaries following each area map in this booklet (Area A - p.20; Area B - p.26; Area C - p.32; Area D - p.42). However, these lists are not detailed and may not be completely up to date. Note also that fish sanctuary areas are not always marked with signs. If you are at all uncertain, check with the local MNR office before fishing!

TRANSPORTING AND STORING FISH

Except to prepare it for eating immediately, you may not skin, cut or pack any fish caught by sport fishing in such a way that:

- the species of the fish cannot be readily identified;
- the number of fish cannot be readily counted; or
- the length of the fish cannot be readily determined (where size limits apply).

Leave a portion of the skin, including scales, at least 5cm² (2 in.²) on all fish or fillets until ready for consumption; this allows them to be identified more easily.

If you plan to freeze your catch, wrap and freeze each fish separately so they can be readily counted. If packing your fish in a bag or box, lay them flat and arrange them so that they can be readily counted and measured where length limits apply. Where length limits apply, leave the head and tail on the fish until ready for consumption.

GEAR RESTRICTIONS

Hooks and Lines

Only one line per angler is allowed, except for ice fishing (see **Ice Fishing** on page 6).

A fishing line must not have more than four hooks. If you are using an artificial lure, then two or three hooks in a gang are considered to be one hook. Otherwise, a double hook counts as two hooks and a triple hook as three.

Barbless hooks

Barbless hooks must be used in the following waters:

- Div. 14 (single pointed barbless hooks only);
- Credit River in Caledon Twp. from the Forks of the Credit Provincial Park gate in Brimstone to Hwy. 24 (Div. 4);
- Whiteman's (Horner) Creek in Brantford Twp. between Robinson Road and Cleaver Sideroad (Div. 4);
- Whitefish Bay of Lake of the Woods including the following bays: Regina, Snake, Boot, Ghost, Brule, Devils, Atikaminke, Camp, Cloverleaf, Log, Reedy, Willow, Sammons and the following inlets: Knickerbocker, Louis, Cross and Alfred and Dryberry Lake including Northwest Bay, Point Bay and Point Lake (Div. 22) from Jan. 1 - May 15 (3rd Sat.);
- All waters within boundaries of Hwy. 17 on the north, west shore of Eagle and Teggau Lakes on the east, Highwind Lake Road and junction of Hwys. 17 and 71 (Div. 22);
- Clearwater Bay, Cul de Sac Bay and Echo Bay of Lake of the Woods (Div. 22) (4 hooks allowed except for lake trout, 1 hook maximum);
- Grand River in the Township of West Garafraxa from the 2nd line to Scotland Street, and in the Township of Nichol between Tower Street and the Bossell Dam both in the Town of Fergus;
- Grand River in Pilkington Twp. in the County of Wellington between a line drawn perpendicular 100m (328 ft.) downstream from a bridge located on that southern boundary of the Elora Gorge Conservation Area and a line drawn perpendicular 100m (328 ft.) upstream from the second line of Pilkington Twp.;
- Arrow River between the Robbins/Hartington Township line and its confluence with the Pigeon River in Devon Twp. (Div. 21);
- Maskinonge, Cloudlet and Hooch Lakes (Div. 22).

In the waters where barbless hooks are required, a line must have no more than one barbless hook attached to it. Any extra hooks must be removed from lures.

A *barbless hook* under fishery laws means a hook that was made without a barb or has had its barb either completely removed or compressed so that it is completely in contact with the shaft of the hook.

Artificial Lures

Only artificial lures are allowed as bait in:

- Harry, Rence, Welcome, Stringer, Scott, Westward, Little Crooked and Animoosh Lakes (Div. 13);
- Tukanee, Troupe, Black Trout, Dayohessarah, Little Dayohessarah, Newcombe, Rock, One Island and Paint Lakes (Div. 19);

- Kabinakagami River in Nameigos and Mosambik Twps. Kabinakagami River and its tributaries in Atkinson, Broughton, Cooper and Doucett Twps. Kabinakagami River and waters of Broughton, Atkinson, Cooper, Doucett, Nameibos and Mosambik Twps. (Div. 19);
- Credit River from the Forks of Credit Provincial Park gate to Hwy. 24 (Div. 4);
- Whiteman's (Horner) Creek from Robinson Road to Cleaver Sideroad (Div. 4);
- Grand River (Twp. of West Garafraxa) from the 2nd line to Scotland Street and in Nichol Twp. between Tower Street and the Bissell Dam in the town of Fergus;
- Grand River (Pilkington Twp.) between a line drawn 100m (328 ft.) downstream from a bridge located on the southern boundary of the Elora Gorge Conservation Area and a line drawn perpendicular 100m (328 ft.) upstream from the 2nd line;
- Oakley Lake in Naveau Twp. (Div. 18);
- Arrow River (Div. 21).

Artificial Flies

Only artificial flies are allowed as bait in:

- East Goulais River from Laughing Lake in Menard Twp. to the Goulais River (Div. 18);
- Garden River from Ranger Lake to Garden Lake (Div. 18);
- Little Jocko River from Hwy. 63 bridge to Jocko River in Eddy Twp. (Div. 18);
- Arrow River between the dam on Arrow Lake (Hardwick Twp.) and the Robbins/Hartington Township line (Div. 21).

An *artificial fly* under these regulations means a single or double hook dressed with silk, tinsel, wool, fur, feathers or other such material but does not include a weight or a spinning device.

Stringers and Live Baskets

A stringer or live basket may not be used for keeping fish in the Rice River (Twin Flower Creek System)(49°56'30"N., 91°56'W.), Pelican Lake (Divs. 22 & 31) (50°07'N., 91°58'W.), Minnitaki Lake (49°58'N., 92°00'W.), Abram Lake (50°04'N., 91°57'W.), Hidden Lake (50°07'N., 91°45'W.), Duck Lake (50°06'50"N., 91°56'10"W.), Botsford Lake (50°08'N., 91°38'W.) and connecting waters in Division 22.

Gaffs, Snaggers and Snares

A gaff may be used to land fish that have been taken by angling. It is illegal to fish with or possess a spring gaff.

It is illegal to catch fish with or possess a baited or unbaited snagger for use in fishing.

When angling, you may not fish for, catch or kill a fish by impaling or snagging it with a hook through any part of the body other than the mouth.

Any fish hooked in this way must be released immediately (see **How to Release Fish**, page 34).

It is illegal to snare fish or to possess a snare for use in fishing.

Landing Nets

A sport fisher may not use or possess a landing net with a frame greater than 127cm (50 in.) in circumference or a handle longer than 51cm (20 in.) in the following waters or their tributaries: Pretty River, Batteaux River, Silver Creek in the Counties of Simcoe and Grey, Div. 4.

Spears and Spear Guns

Fishing with a spear gun is illegal.

Fishing with a spear, or having a spear within 30m (100 ft.) of the edge of a body of water, is illegal except in areas and seasons outlined in **Other Means of Fishing** (page 10).

Artificial Lights

Artificial lights may not be used for fishing except:

- to fish for smelt, or to fish for lake whitefish or lake herring with a dip-net;
- if the light is part of a lure attached to a line used in angling.

Explosives

It is illegal to use dynamite or other explosives for taking or destroying fish.

MISCELLANEOUS REGULATIONS

Distance from Nets, Canals, Etc.

No fishing is permitted within 22.9m (75 ft.) of a pound net or fish culture cage. It is also illegal to fish less than 22.9m (75 ft.) downstream from the lower entrance to a fishway, canal, dam or leap.

Export of Fish

A sport fisher may, on leaving Ontario, take the possession limit of those fish regulated by catch limits. In Divisions 17 & 28 a sport fisher may export 100 yellow perch, Arafuca, Muskellunge and Marsh Lake bass. In all other divisions there is no limit on yellow perch. Sport fishers holding a conservation licence may, on leaving Ontario, take the conservation licence limits detailed on page 3. Please see **Using and Releasing Baitfish**, page 7.

Transfer of Live Fish or Spawn

No live fish or spawn may be transferred from one body of water to another without the consent of the Ministry of Natural Resources.

Live Holding Boxes

If you use a live holding box or impounding device, it must be clearly marked with your name and address unless it forms part of or is attached to a boat - any fish in holding boxes are part of your limit.

ICE FISHING

The usual regulations for angling apply to angling through ice.

You may, however, use **two** lines at a time when ice fishing *except* in Div. 29 from Mar. 14 (2nd Sat.) - Apr. 30, where only one line is allowed.

Up to **five** lines are permitted in Labyrinth Lake, including Waterhen Creek (Div. 18) downstream of Access Road bridge (Territorial District of Timiskaming).

Ice fishers may use a tip-up for ice fishing, but must remain within 60m (197 ft.) of any line with which they are fishing. They must have at all times a clear, unobstructed view of the lines being used.

Ice Fishing Huts

Hut Registration

Ice fishing huts must be registered with the local MNR office if they are on any of the following waters:

- Any part of Divs. 7, 8, 9, 10, 11, 12, 15 & 29;
- Lakes Couchiching, Simcoe, Puslinch, Nipissing, Temagami, Scugog, Timiskaming, Manitou (Div. 28) and Trout (in the city of North Bay);
- Owen Sound and Colpoys Bay (Bruce and Grey counties);
- Long Point Bay on Lake Erie (Regional Municipality of Haldimand-Norfolk) west of a line from the survey point at Turkey Point Marina to Pottowatung Point;
- Dunlop and Matinenda Lakes (Div. 18);
- The waters in the west portion of Sault Ste. Marie District in Divs. 17, 18 & 23.

Contact the local MNR office for further information on ice fishing on these and other lakes.

Hut Removal Dates

Ice fishing huts must be removed by the following dates:

- Feb. 28 in Div. 8 and Lake Scugog (Div. 6);
- March 15 in
 - Percy, Seymour, Cramahe, Brighton and Murray Twps. (Div. 6);
 - Div. 7 except that part in Cashell Twp.;
 - Div. 9 except Oso, Olden, Kennebec and Kaladar Twps.;
 - Divs. 10 & 11;
 - Div. 12 waters lying south of a line running east/west through the intersection of Hwy. 17 and Hwy. 533;

- Tudor Twp. (Div. 15);
- Lake Simcoe;
- the part of Long Point Bay on Lake Erie (Regional Municipality of Haldimand-Norfolk) that lies west of a line drawn from the survey point at Turkey Point Marina to Pottohawk Point;
- the part of Div. 4 in Simcoe and Dufferin Counties;
- water in Severn Sound (Div. 16);
- March 21 (Mon. after 3rd Sun.) in Colpoys Bay and Owen Sound;
- March 25 in Lake Nipissing (Div. 27);
- March 31 in
 - Lake Temagami (Div. 26);
 - Lake Timiskaming (Div. 18);
 - Lake Manitou (Div. 28);
 - Waters south of and including the French and Mattawa Rivers;
 - Trout Lake (North Bay) (Div. 18).
 - The waters in the west portion of Sault Ste. Marie District in Divs. 17, 18 & 23.

BAIT

Under Ontario Fishery Regulations, the term *baitfish* refers to the following fish:

- the sucker family,
- the stickleback family,
- lake herring (of the whitefish family),
- the darter subfamily,
- the trout-perch family,
- the sculpin family,
- crayfish,
- the minnow family except carp and goldfish,
- and
- the mudminnow family.

Catching Baitfish

If you have a valid Resident Sport Fishing Licence or a Non-Resident Sport Fishing Licence, you may take baitfish for personal use with:

- an angular dip-net no larger than 183cm x 183cm (6 ft. x 6 ft.);
- a circular dip-net no more than 183cm (6 ft.) in diameter; or
- a baitfish trap no more than 51cm (20 in.) long or 31cm (12 in.) in diameter.

Licence holders may also catch baitfish for their own use with a seine *in a limited number of divisions and water bodies* if it is no larger than 10m x 2m (32.8 ft. x 6.5 ft.). For further details, see **Other Means of Fishing**, page 10.

A sport fisher may have no more than 120 baitfish in **possession** from April 1 to Oct. 14. From Oct. 15 to Mar. 31, the limit is a total weight of 18 kilograms (40 lbs).

You may use no more than **one** baitfish trap, seine or dip-net. If you use a bait fish trap, it must be clearly marked with your name.

Please check your traps on a regular basis to avoid wastage of fish.

Using and Releasing Baitfish

It is illegal to bring live fish, crayfish or salamanders into Ontario for use as bait.

Do not release baitfish, including crayfish – or any other live fish – except into the body of water from which they were taken. Illegal release can seriously damage fisheries.

Only licensed dealers may sell baitfish.

Special Restrictions on Bait

You may not use or possess for bait any live fish other than baitfish unless the regulations specifically state otherwise.

You may use alewife and yellow perch, as well as baitfish, in:

- the Great Lakes;
- Lake St. Clair;
- the St. Lawrence River, including Lake St. Francis and Lake St. Lawrence;
- the St. Clair, St. Mary's, Detroit and Niagara rivers;
- Lake George;
- Munuscong Lake.

You may not use or possess live fish for bait in:

- Divs. 14 & 24;
- certain waters in
 - the territorial districts of Algoma, Cochrane, Kenora, Nipissing, Sudbury, Thunder Bay, Timiskaming, and Parry Sound;
 - the District Municipality of Muskoka;
 - the counties of Haliburton, Lanark, Dundas, Stormont, Renfrew, Peterborough and Hastings.

Check with the local MNR office for specific waters.

You may not use:

- or posses herring (live or dead) in Divs. 9, 10, 13 & 29;
- fish or fish parts in Whitefish Bay of Lake of the Woods including the following bays: Regina, Snake, Boot, Ghost, Brule, Devils, Atikaminke, Camp, Cloverleaf, Log, Reedy, Willow, Sammons and the following inlets: Knickerbocker, Louis, Cross and Alfred or Dryberry Lake including Northwest Bay, Point Bay and Point Lake (Div. 22) from Jan. 1 - May 14 (Fri. before 3rd Sat.);
- smelt (live or dead) in Divs. 22, 24, 30 or 31;
- live bait fish, or live or dead lake herring in Algonquin Park (Div. 13);
- live bait fish in Quetico Provincial Park;
- fish or fish parts in Clearwater Bay, Cul de Sac Bay and Echo Bay of Lake of the Woods (Div. 22);
- dead alewife or dead gizzard shad in Big Rideau, Charleston or Redhorse Lakes (Div. 10).

BULLFROGS AND SNAPPING TURTLES

Bullfrogs

If you have any valid sport fishing licence, you may take bullfrogs for personal use from July 21 - Oct. 15. The possession limit is 10.

In the County of Lanark and the Regional Municipality of Ottawa-Carlton, you may take only bullfrogs with a tibia of 5cm (2 in.) or more (see diagram below). It is illegal to take bullfrogs in provincial parks.

Snapping Turtles

Snapping turtles may be taken for personal use during open seasons by anyone with a valid sport fishing licence. For details on harvest areas, season dates and catch and possession limits, see the *Ontario Hunting Regulations Summary* or contact your local MNR office. **It is illegal to take snapping turtles in provincial parks.**

Threats to Ontario's Fish

Zebra Mussels

Zebra mussels are freshwater molluscs commonly called clams. Their shells are striped brown, yellow and white in color. They are very small, about the size of a fingernail.

Zebra mussels have spread rapidly in Ontario. Since their initial discovery in 1988 in Lake St. Clair, they have spread throughout the Great Lakes system and into some inland lakes. Zebra mussels are most easily transferred in their early life stage (veliger) when they are invisible to the naked eye. They can be transferred unknowingly in live wells and baitfish buckets, and in their adult stage they can attach to boat hulls.

To help slow the spread of zebra mussels please:

- clean any piece of water equipment, fishing gear, scuba gear, etc.; clean your boat hulls and trailer, drain your motor, bilge pump, and live wells, before moving from infested waters to uninfested waters;

- do not transfer water from infested lakes (like the Great Lakes) to any other body of water.

Cleaning can be done by several methods:

- leave equipment or boat out of water in hot dry weather for at least three days;
- clean equipment or boat with hot water (above 40°C);
- clean equipment or boat with high pressure water (250 p.s.i.);
- use scraper to remove adult zebra mussels.

Always dispose of zebra mussels and water used for cleaning well away from any body of water or sewer system.

For more information about zebra mussels and how to help slow their spread, contact your local MNR office.

Ruffe

The ruffe is a small European relative of the wall-eye and yellow perch. It was introduced into the Duluth-Superior harbor of Lake Superior from the ballast water of ocean-going ships. Within a few years it became the most abundant fish in the harbor.

Help slow the spread of ruffe. Do not collect baitfish from the Great Lakes for use in inland waters. After fishing or boating in the Great Lakes or any of their tributaries, empty your live well and drain your bilge and motor on dry land. (Please read the section on zebra mussels for more tips on cleaning your boat.)

It is illegal to possess ruffe except when transporting a dead specimen to a Ministry of Natural Resources office.

Smelt

Smelt is a species of small fish that reproduces and grows rapidly. The ecology of many water bodies is a delicate balance among different species of fish as well as plants and other factors. Releasing smelt eggs or spawn into waters other than those they came from can upset this balance. The smelt take a large portion of the food supply, posing a serious threat to other fish species and populations.

MNR asks smelt fishers in Ontario to take care when rinsing dressing equipment or dumping entrails. Dumping fish waste into rivers or streams may put fertilized smelt eggs into the water system. This is against fishery laws, which prohibit the transfer of live fish or spawn from one body of water to another. It can create great problems for both commercial and sport fisheries.

For the sake of Ontario's fish populations, do not transfer smelt – and pass the word along to other fishers. Live smelt may not be used for bait. Note also that it is illegal to possess live or dead smelt while sport fishing in Divs. 22, 24, 30 and 31 in Northwestern Ontario.

Contaminants

Since the late 1960s, the Ontario government has been testing fish from lakes and rivers across the province for contaminants. The levels of contaminants in fish help to indicate water quality. If fish flesh in a body of water is highly contaminated, the water may be a threat to humans even if harmful substances are too dilute to be detected directly in the water.

A total of over 1600 locations have been tested for substances such as mercury, PCB, DDT, mirex and the dioxin 2, 3, 7, 8-TCDD. A summary of the results can be found in the booklet *Guide to Eating Ontario Sport Fish*. This publication gives guidelines according to species and size for eating fish from each area tested. It also explains the dangers of various contaminants. A key to identifying common fish species is included. Copies are available from the Ministry of Natural Resources or from:

Sport Fish Monitoring Program
Ontario Ministry of Environment and Energy
Water Resources Branch
135 St. Clair Avenue West
Toronto, Ontario
M4V 1P5
Phone: (416) 323-4994.

Acid Rain

Vast areas of Canada and the United States have been – and still are – harmed by acid rain. This is a form of sulphur and nitrogen oxide pollution that comes from industrial sources and falls in rain or snow. Many of Ontario's favourite lakes, rivers and forested areas are likely to be affected. If you would like further information on this problem, contact:

Acid Rain Information
Ontario Ministry of Environment and Energy
135 St. Clair Avenue West
Toronto, Ontario
M4V 1P5.

If you have already received acid rain information from the ministry, you can contact the above address for an update.

Extensive Fish Kills

A number of causes – natural or unnatural – may lead to large numbers of fish dying. Most fish kills happen in the summer, but winter fish kills are not uncommon.

Fish may die from natural changes in water quality caused by temperature changes, lack of oxygen (from decomposition), algae toxins, high turbidity ("murky" water) or too much gas trapped in water. Other natural causes include epidemics (of bacteria, viruses or parasites) or spawning problems.

Unnatural fish kills are usually the result of releasing heated waste or toxic chemicals. The sources may be industrial, agricultural, municipal, or residential. Pesticides used for farming and to control water weeds are another cause. Some kills result from tampering with water levels or flow.

The Ministry of Environment and Energy and the Ministry of Natural Resources investigate fish kills to find their causes, suggest responses, set up preventive programs and collect evidence for possible court action. Speed is of vital importance in these investigations. Since fish decompose rapidly, especially in warm weather, evidence may be lost within hours. **It is important, therefore, to report any fish kills immediately.** In river systems, toxins and fish carcasses may travel downstream from where the kill occurred.

If you see evidence of a fish kill, contact the nearest office of the Ministry of Environment and Energy or the Ministry of Natural Resources (see page 51) right away.

Commercial Fishing Gear on the Great Lakes

Across Ontario's Great Lakes, commercial fishermen catch fish for the domestic and international marketplace. These fishing activities sometimes take place in areas that are shared with recreational fishermen and boaters. Many regulations and licence conditions govern the commercial fisheries in Ontario. The Ontario Fish Producers Association is currently developing a standardized net marking system for the Great Lakes in cooperation with the Ministry of Natural Resources and other user groups.

While this standardization process is taking place, the commercial fishing industry would like to offer some helpful hints to avoid damage to fishing gear and vessels and to promote the safety of all individuals using the waters of Ontario.

The commercial fishing industry in Ontario harvests fish in many different ways. They use trawls, seine nets, gillnets, hoop nets, pound nets, and trap nets. While many of the markings are different from lake to lake and area to area, they must comply to the Ontario Fishery Regulations. These specify that all nets must be identified by means of buoys, stakes and markers which identify the owner of the net and the location of the beginning or end of the net. Besides these markers, there may be additional buoys (plastic or steel cans) that indicate intermediate portions of the net or anchor lines. Boaters should be aware that because the

length of some nets may exceed several thousand meters, it may not be possible to see both ends. Also, marker buoys may have extra line floating upwind. It may be best to pass them on the downwind side.

To ensure safe boating in areas where commercial fishing activity takes place please consider the following:

1. Many retail and wholesale freshwater fish outlets are operated by commercial fishers, and information regarding local net marking systems may be obtained by talking with their staff.

2. Many local yacht clubs, sailing clubs, power squadrons, and marinas have information regarding commercial fishing activities in local waters. In some cases, detailed maps of fishing locations and specific markings may be available. Contact local commercial fishermens association for further details.

3. Treat commercial fishing gear with the same caution as any other floating device, apparatus or debris.

4. When a net marker is encountered it is possible to observe which way the net runs through visual sighting underwater. During summer months when nets are usually set in cooler deeper water, the direction the nets run may not be determined as easily.

5. Commercial nets must be marked with the licence holder's identification (licence number and/or name). Unmarked nets should be reported immediately to the closest Ministry of Natural Resources office. Do not tamper with commercial fishing nets, as tampering is an offence under

Section 23 of the Canada Fisheries Act. Tampering with nets is also a dangerous practice for boaters.

6. A common problem encountered when sport fishing is the entanglement of fishing equipment in an unseen net. If this equipment cannot be easily retrieved, contact the commercial operator once the catch is landed. Lures and other sharp foreign objects stuck in the net are hazards to commercial fishers as well.

Entanglement of cannonballs may present a serious and dangerous situation to the angler. Cannonball cables, if not released from the net immediately, can act like an anchor and swing the boat around with its stern acting as the bow. If this occurs the downrigger line should be cut immediately with wire cutters.

7. Where the trawl industry operates, boaters should recognize that maneuvering a trawler can be very difficult. Be aware that standard boating rules and regulations apply when encountering any large commercial fishing vessel.

To provide for safe boating and fishing experiences, the cooperation of all resource users is critical. The waters of Ontario provide bountiful resources for the use, pleasure and enjoyment of everyone. Wise use and planning by many diverse interest groups will ensure these opportunities continue for many generations to come. If there are any questions pertaining to Ontario's commercial fish industry, please call any local office of the Ministry of Natural Resources or contact the Ontario Fish Producers' Association at 519-676-0488.

Other Means of Fishing Allowed Under a Sport Fishing Licence

As well as angling, Ontario's fishing laws allow fishing with a baitfish trap, dip-net, seine, bow and arrow and spear. Holders of **Sport Fishing Licences** do not need an extra licence to fish by any of these means. A licence is needed to dip net for pink salmon, whitefish and herring. See page 2 for details.

The following table shows the open season dates, waters, and allowable species for fishing by

these means. There may, however, be exceptions or extra restrictions not listed here. Before fishing, check the Open Season Guides (Area A - p.15; Area B - p.22; Area C - p.28; Area D - p.36) and call or visit the local MNR district office or area.

Unless the regulations specifically state otherwise, all fishing by means other than angling must be done after sunrise and before sunset (during daylight hours).

Species	Season	Waters
BAITFISH TRAP		
no more than 51cm (19.7 in.) long and 31cm (12.2 in.) wide		
Baitfish	all year, day or night	All Divisions except 13 & 23
Baitfish	all year, day or night, except Dec. 25	Div. 23

DIP-NET

no more than 183cm, (6 ft.) on each side if square, or 183cm (6 ft.) across if circular

Baitfish	all year	All Divisions <i>except</i> 13 & 23.
Baitfish	all year except Dec. 25	Div. 23.
Coarse fish, Carp & Sucker	March, April & May	All waters <i>except</i> Divs. 6, 13 and waters in Notes 1 & 2 of Divs. 3 & 4.
Northern Pike	March & April	Waters of Divs. 1 & 2 <i>except</i> the waters of Lake Erie fronting the Regional Municipality of Haldimand Norfolk; Div. 3 <i>except</i> waters in the County of Essex, the waters in Note 1 and those parts of the Thames, Sydenham and Ausable Rivers in Div. 3.
Northern Pike	January, February, March & April	Waters in the County of Essex (Div. 3)
Smelt	March, April & May	All waters <i>except</i> the following: Divs. 4, 6, 13, 22, 24, 30, 31; those parts of the Thames, Sydenham and Ausable Rivers in Div. 3; the waters in Note 1 (Div. 3); those parts of the Thames and Ausable Rivers in Div. 4; waters in that part of the Regional Municipality of Durham in Div. 4; and all the streams and rivers in the counties of Bruce and Grey (excluding waters in Div. 4 listed under "Fall Fishing For Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout" on p. 17; the Trent River and the part of Peterborough in Div. 7; the waters of the Rideau River between Hog's Back Dam and the Ottawa River in the Regional Municipality of Ottawa-Carlton.

SEINE

no more than 10m (32.8 ft) long and 2m (6.5 ft.) wide

Baitfish	all year	Lake St. Clair (Div. 1), Div. 2 <i>except</i> the Niagara River; Div. 5 <i>except</i> the Beaverton River and tributaries in Brock Township from Lake Simcoe to the first dam; Divs. 11 & 17; waters of Lake Ontario in Div. 8; the St. Lawrence River; Lake St. Francis; Georgian Bay; Lake Nipissing.
Baitfish	all year except Dec. 25	Div. 23.
Smelt	March, April & May	All waters <i>except</i> the following: Divs. 4, 6, 13, 22, 24, 30, 31; those parts of the Thames, Sydenham and Ausable Rivers in Div. 3; the waters in Note 1 (Div. 3); those parts of the Thames and Ausable Rivers in Div. 4; waters in that part of the Regional Municipality of Durham in Div. 4; and all the streams and rivers in the counties of Bruce and Grey (excluding waters in Div. 4 listed under "Fall Fishing For Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout" on p. 17; the Trent River and the part of Peterborough in Div. 7; the waters of the Rideau River between Hog's Back Dam and the Ottawa River in the Regional Municipality of Ottawa-Carlton.

BOW AND ARROW

Bows must be encased from 1/2 hour after sunset to 1/2 hour before sunrise.

Carp	May 1 - June 15	Divs. 1 & 2 <i>except</i> the following: the waters of Lake Erie fronting the Regional Municipality of Haldimand Norfolk; the waters of Lake Ontario (Div. 2) fronting Haldimand and Hamilton townships and the Town of Newcastle, the City of Oshawa and the Town of Whitby and the waters of Walkhouse Bay of Lake Huron in Robinson Twp. (Div. 2). The County of Simcoe and the Holland River in the Regional Municipality of York (Div. 4); Div. 5 <i>except</i> the Beaverton River and tributaries (Brock Twp.).
Carp	May, June & July	Waters of Lake Ontario (Div. 2) fronting Haldimand and Hamilton townships and the Town of Newcastle, the City of Oshawa and the Town of Whitby.

Species	Season	Waters
BOW AND ARROW continued		
Carp	March 1 - June 15	Waters in the counties of Brant, Oxford, Perth and Wellington and in the regional municipalities of Halton, Hamilton-Wentworth and Waterloo (Div. 4); Div. 3 <i>except</i> for waters in Note 1.
Carp	May 1 - Aug 15	Waters in the County of Huron (Div. 4).
Carp	May 14 (Sat. after 2nd Fri.) to July 31	Div. 6.
Carp	June & July	Rideau River between the dam at Burrits Rapids and Lock 17 and the dam in the West Branch Rideau River at Long Island and Lock 16, including Kempville Creek to Hwy. 43; waters in the counties of Stormont, Dundas, Glengarry, Prescott and Russell (Div. 9).
Carp & Sucker	May, June & July	Waters in Divs. 8 & 11; the St. Lawrence River, including Lake St. Francis (Div. 12); and the Ottawa River downstream from the Chaudière bridge fronting the Regional Municipality of Ottawa-Carleton and the United Counties of Prescott and Russell (Div. 12).
Carp, Sucker & Coarse fish	May 1 - July 15	Walkhouse Bay of Lake Huron (Robinson Twp.) and waters in Div. 17.
Sucker & Coarse fish	March & April	Waters of Divs. 1 & 2 <i>except</i> Walkhouse Bay of Lake Huron (Robinson Twp.) and the waters of Lake Erie fronting the Regional Municipality of Haldimand Norfolk, Div. 3; Div. 3 <i>except</i> the waters in Note 1 and, the waters of that part of Div. 4 in the counties of Brant, Oxford, Perth, and Wellington and the Regional Municipalities of Halton, Hamilton-Wentworth, and Waterloo.
Sucker	April & May	Div. 19.
Northern Pike	March & April	Waters of Divs. 1 & 2 <i>except</i> the waters of Lake Erie fronting the Regional Municipality of Haldimand Norfolk; Div. 3 <i>except</i> the waters in the County of Essex and the waters in Note 1 and <i>except</i> those parts of the Thames, Sydenham and Ausable Rivers in Div. 3.
Northern Pike	January, February, March & April	Waters in the County of Essex (Div. 3).

SPEAR

Coarse fish, Carp & Sucker	April & May	All waters <i>except</i> the following: the waters of Lake Erie fronting the Regional Municipality of Haldimand-Norfolk (Div. 2), the waters of Lake Huron fronting the Counties of Lambton, Bruce and Huron (Div. 2), Divs. 3, 5, 6 & 13, waters in Morrison Twp. (Div. 7), the Rideau River between Hog's Back Dam and the Ottawa River (Div. 9) and the waters of Georgian Bay fronting the Counties of Bruce and Grey (Div. 16).
Coarse fish, Carp & Sucker	March & April	Div. 3 <i>except</i> waters in Note 1 and excluding those parts of the Thames, Sydenham and Ausable Rivers in Div. 3.
Northern Pike	March & April	The waters of Divs. 1 & 2 excluding the waters of lake Erie fronting the Regional Municipality of Haldimand Norfolk, Div. 3 excluding the waters in the County of Essex, the waters in Note 1 and excluding those parts of the Thames, Sydenham and Ausable Rivers in Div. 3.
Northern Pike	January, February, March & April	Waters in the County of Essex (Div. 3).

The following waters are exceptions as noted in the table:

- Note 1 –** ➤ Waters in the Township of Delhi or the former townships of Charlotteville and Windham;
 ➤ Waters in the Township of Norfolk or the former townships of Middleton, Houghton, North Walsingham and north of Concession 3 in South Walsingham (Div. 3);
 ➤ Young's Creek in the City of Nanticoke or the former Township of Woodhouse in the Regional Municipality of Haldimand-Norfolk (Div. 3).

Note 2 – ➤ Divs. 6 & 13;

➤ The part of Div. 4 within the Regional Municipality of Durham and all the streams and rivers in the counties of Bruce and Grey (excluding waters in Div. 4 listed under "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout" on p.18);

➤ The Rideau River between Hog's Back Dam and the Ottawa River;

➤ The Thames, Sydenham and Ausable rivers.

DEFINITIONS OF FISH SPECIES AND FAMILIES

Baitfish means

- the mudminnow family,
- the sucker family,
- the stickleback family,
- the lake herring of the whitefish family,
- the darter subfamily,
- the trout-perch family,
- the sculpin family,
- crayfish,
- the minnow family except carp and goldfish.

Coarse Fish means

- the gar family,
- bowfin,
- the catfish family,
- burbot,
- eel,
- freshwater drum or sheepshead.

Salmon means

- Atlantic salmon
- Pacific salmon

Pacific salmon includes

- coho,
- chinook,
- kokanee,
- pink.

Trout means

- aurora trout,
- brook trout,
- brown trout,
- lake trout,
- rainbow trout,
- splake and backcross (hybrids of lake and brook trout).

COMMON NAMES OF ONTARIO FISH

Pike northern pike, great northern pike, northern grass pike or jackfish

Walleye yellow pickerel, doré or pikeperch

**Largemouth &
Smallmouth Bass** black bass and green bass

Muskellunge maskinonge and musky (includes hybrids with pike)

Brook trout speckled trout, specks and brookies

Rainbow trout steelhead or Kamloops trout

Lake trout grey trout and salmon trout

Splake hybrid of lake trout and brook trout (stocked in inland waters)

Backcross hybrid of lake trout and brook trout (stocked in the Great Lakes)

Pacific salmon

(4 species) coho, chinook or king, kokanee and pink salmon

Atlantic salmon ouananiche, land locked salmon

Crappie calico bass

Bullhead bullhead, catfish

Burbot ling, lawyer

MAP A

(INCLUDES DIVISIONS 1,2,3,4 AND 5)

Determine what division you will be fishing in and then consult the open season and catch limit guides following.

OPEN SEASON GUIDE - MAP A

ALL DATES INCLUSIVE • Indicates open season

Please see *exceptions* to the Open Season on the pages following this Guide.

SPECIES	OPEN SEASON	DIVISION				
		1	2	3	4	5
Northern Pike	Open All Year	•	•	•		
	January 1 - March 31 & May 14 (2nd Sat.) - Dec. 31				•	•
Walleye and Sauger	Open All Year	•	•	•		
	Jan. 1 - March 31 & May 14 (2nd Sat.) - Dec. 31				•	•
Largemouth & Smallmouth Bass	June 25 (last Sat.) - Dec. 31	•				
	June 25 (last Sat.) - Nov. 30		•	•	•	•
Muskellunge	June 4 (1st Sat.) - Dec. 15	•		•	•	•
	June 18 (3rd Sat.) - Nov. 30		•

EXCEPTIONS TO THE OPEN SEASON GUIDE - MAP A

Northern Pike

- Bruce and Grey Counties (Div. 4) excluding the waters under "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": May 14 (2nd Sat.) - Sept. 30.
- Huron County (Div. 4) set out under "Fall Fishing for Rainbow and Brown Trout": May 14 (2nd Sat.) - Dec. 31.
- Huron County (Div. 4) as set out under "Stream Mouths with a Year Round Open Season on Rainbow and Brown Trout": open all year.
- Regional Municipality of Durham (Div. 4): May 14 (2nd Sat.) - Nov. 15.

Walleye

- Grand River in the Regional Municipality of Haldimand-Norfolk (Div. 3): Jan. 1 - Mar. 31 & May 14 (2nd Sat.) - Dec. 31.
- Bruce and Grey Counties (Div. 4) excluding the waters under "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": May 14 (2nd Sat.) - Sept. 30.
- Huron County (Div. 4) set out under "Fall Fishing for Rainbow and Brown Trout": May 14 (2nd Sat.) - Dec. 31.
- Huron County (Div. 4) as set out under "Stream Mouths with a Year Round Open Season on Rainbow and Brown Trout": open all year.
- Regional Municipality of Durham (Div. 4): May 14 (2nd Sat.) - Nov. 15.

Sauger

- Bruce and Grey Counties (Div. 4) excluding the waters under "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": May 14 (2nd Sat.) - Sept. 30.
- Huron County (Div. 4) set out under "Fall Fishing for Rainbow and Brown Trout": May 28 (last Sat.) - Dec. 31.
- Huron County (Div. 4) as set out under "Stream Mouths with a Year Round Open Season on Rainbow and Brown Trout": open all year.
- Regional Municipality of Durham (Div. 4): May 14 (2nd Sat.) - Nov. 15.

Largemouth and Smallmouth Bass

- Bruce and Grey Counties (Div. 4) excluding the waters under "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": June 25 (last Sat.) - Sept. 30.
- Huron County (Div. 4) set out under "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": June 25 (last Sat.) - Nov. 30.
- Regional Municipality of Durham (Div. 4): June 25 (last Sat.) - Nov. 15.

Muskellunge

- Bruce and Grey Counties (Div. 4) excluding the waters under "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": June 4 (1st Sat.) - Sept. 30.
- Huron County (Div. 4) as set out under "Fall Fishing for Rainbow and Brown Trout": June 4 (1st Sat.) - Dec. 15.
- Huron County (Div. 4) as set out under "Stream Mouths with a Year Round Open Season on Rainbow and Brown Trout": June 4 (1st Sat.) - Nov. 30.
- Regional Municipality of Durham (Div. 4): June 4 (1st Sat.) - Nov. 15.

Brook Trout

- Lambton County, Bosanquet Twp., Pinery Park Pond (Div. 3): Jan. 1 - Mar. 31 & Apr. 30 (last Sat.) - Sept. 15.
- Waters of Rondeau Bay fronting Kent County (Div. 3): open all year.
- County of Bruce (Div. 4) Cameron, Gillies and Cyprus Lakes; and Grey County (Div. 4) Bells, Eugenia, Wilcox, McCullough, Wilder, Bass, Williams and Irish Lakes: Jan. 1 - Mar. 31 and Apr. 30 (last Sat.) - Sept. 30.
- Huron County (Div. 4) as set out under "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": Apr. 30 (last Sat.) - Sept. 30.
- Waters in the Regional Municipality of Durham (Div. 4): Apr. 30 (last Sat.) - Sept. 30.

Brown Trout and Rainbow Trout

- Lambton County, Bosanquet Twp., Pinery Park Pond (Div. 3): Jan. 1 - Mar. 31 & Apr. 30 (last Sat.) - Sept. 15.
- Waters of Rondeau Bay fronting Kent County (Div. 3): open all year.
- County of Bruce (Div. 4) Cameron, Gillies and Cyprus Lakes; and Grey County (Div. 4) Bells, Eugenia, Wilcox, McCullough, Wilder, Bass, Williams and Irish Lakes: Jan. 1 - Mar. 31 & Apr. 30 (last Sat.) - Sept. 30.
- Waters in Div. 4 as set out under "Fall Fishing for Rainbow and Brown Trout": Apr. 30 (last Sat.) - Dec. 31.
- Waters in Div. 4 as set out under "Stream Mouths with a Year Round Open Season on Rainbow and Brown Trout": open all year.

Lake Trout and Splake

- Bruce and Grey Counties (Div. 4) excluding the waters under "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": Apr. 30 (last Sat.) - Sept. 30.
- Huron County (Div. 4) as set out under "Fall Fishing for Rainbow and Brown Trout": Apr. 30 (last Sat.) - Sept. 30.
- Huron County (Div. 4) as set out under "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": Jan. 1 - Sept. 30.
- Regional Municipality of Durham (Div. 4): Apr. 30 (last Sat.) - Oct. 10.

Pacific Salmon

- Bruce and Grey Counties (Div. 4) excluding the waters under "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": Apr. 30 (last Sat.) - Sept. 30.
- Huron County (Div. 4) as set out under "Fall Fishing for Rainbow and Brown Trout": Apr. 30 (last Sat.) - Dec. 31.
- Huron County (Div. 4) as set out under "Stream Mouths with a Year Round Open Season on Rainbow and Brown Trout": open all year.
- Regional Municipality of Durham (Div. 4) north of Hwy. 2: Apr. 30 (last Sat.) - Sept. 30.
- Regional Municipality of Durham (Div. 4) between the southerly limit of the C.N.R. right-of-way and Lake Ontario: open all year.
- Regional Municipality of Durham (Div. 4) between Hwy. 2 and the southerly limit of the CNR right-of-way: Apr. 30 (last Sat.) - Dec. 31.

Atlantic Salmon

- Waters in the Regional Municipality of Niagara lying upstream of the Queen Elizabeth Way (Div. 3): closed all year.
- Waters in the Regional Municipality of Niagara lying downstream of the Queen Elizabeth Way (Div. 3): open all year.

- Bruce and Grey Counties (Div. 4) excluding the waters under "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": Apr. 30 (last Sat.) - Sept. 30.
- Huron County (Div. 4) as set out under "Fall Fishing for Rainbow and Brown Trout": Apr. 30 (last Sat.) - Oct. 10.
- Huron County (Div. 4) as set out under "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": Jan. 1 - Oct. 10.
- Lake Ontario (Div. 2): open all year.
- Waters in the regional municipalities of Hamilton-Wentworth (excluding Hamilton Harbour), Halton, Peel and York lying upstream of the Queen Elizabeth Way; and waters in that part of the Regional Municipality of Durham (Div. 4) lying north of the southerly limit of the C.N.R. right-of-way: closed all year.
- Waters in the regional municipalities of Hamilton-Wentworth (including Hamilton Harbour), Halton, Peel and York lying downstream of the Queen Elizabeth Way; and waters in that part of the Regional Municipality of Durham (Div. 4) lying between the southerly limit of the C.N.R. right-of-way and Lake Ontario: open all year.

Sturgeon

- Lake Ontario (Div. 2): closed all year.
- Bruce and Grey Counties (Div. 4) excluding the waters under "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": Apr. 30 (last Sat.) - Sept. 30.
- Huron County (Div. 4) as set out under "Fall Fishing for Rainbow and Brown Trout": June 15 - Dec. 31.
- Huron County (Div. 4) as set out under "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": open all year.
- Regional Municipality of Durham (Div. 4): Apr. 30 (last Sat.) - Nov. 15.
- Waters in Simcoe County (Div. 4): open all year.

Whitefish

- Bruce and Grey Counties (Div. 4) excluding the waters under "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": Apr. 30 (last Sat.) - Sept. 30.
- Huron County (Div. 4) as set out under "Fall Fishing for Rainbow and Brown Trout": Apr. 30 (last Sat.) - Dec. 31.
- Huron County (Div. 4) as set out under "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout": open all year.
- Regional Municipality of Durham (Div. 4): Apr. 30 (last Sat.) - Nov. 15.
- All waters in Lake Simcoe (Div. 5): Jan. 1 - Mar. 15 & May 14 (2nd Sat.) - Sept. 30.

Note:

- Simcoe County: The Talbot River and its tributaries and the Trent Canal System in the Township of Mara are part of Div. 6.
- Sparrow Lake (Orillia and Morrison Twps.) is in Div. 4.
- The Niagara River is in Div. 2.
- Bruce and Grey Counties (Div. 4) excluding the waters under "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout" - all species not listed in the exceptions to the open season guide: Apr. 30 (last Sat.) - Sept. 30.
- Huron County (Div. 4) as set out under "Fall Fishing for Rainbow and Brown Trout" - all species not listed in the exceptions to the open season guide: Apr. 30 (last Sat.) - Dec. 31.
- Regional Municipality of Durham (Div. 4) - all species not listed in the exceptions to the open season guide: Apr. 30 (last Sat.) - Nov. 15.

STANDARD CATCH, POSSESSION AND SIZE LIMITS – MAP A

(For Conservation Licence Limits, please see page 3.)

Northern Pike

Catch limit: Six (6) in one day.

Walleye (Yellow Pickerel), Sauger or any combination thereof

Catch limit: Six (6) in one day.

Largemouth Bass, Smallmouth Bass or any combination thereof

Catch limit: Six (6) in one day.

Muskellunge

Catch limit: One (1) in one day.

Possession limit: Two (2).

Size limit:

- Divs. 1 & 2 (except the Niagara River): minimum length of 102cm (40 in.).
- Niagara River (Div. 2): minimum length of 94cm (37 in.).
- Divs. 3, 4 & 5: minimum length of 86cm (34 in.).

Sturgeon

Catch limit: One (1) in one day.

Whitefish

Catch limit:

- Div. 5: two (2) in one day.
- All other waters in Map A Divisions: twenty-five (25) in one day.

Salmon and Trout

(see Definitions on page 13)

If you are fishing for one species of salmon or trout refer to Part B: "Catch and Possession Limits for Individual Species of Salmon and Trout". If you are fishing for more than one species of salmon or trout refer to both Part A and Part B.

A. Catch and Possession Limits for Salmon and Trout COMBINED

(Not exceeding Individual Species Limits listed in Part B)

- Divs. 1 & 2 (Lake Erie, Lake Huron and the west half of Lake Ontario): five (5) salmon and trout in one day, but not more than three (3) may be Lake Trout, Brook Trout, and Splake combined.
- Divs. 3, 4 & 5, except part of the Credit River and Whiteman's (Horner) Creek: five (5) salmon and trout combined, in one day.
- Credit River (Div. 4), between the Forks of the Credit Provincial Park gate and Hwy. 24, Caledon Twp.: five (5) salmon and trout in one day, but not more than one (1) from among Brook Trout and Brown Trout.
- Whiteman's (Horner) Creek (Div. 4), between Robinson Road and Cleaver Sideroad, Brantford Twp.: five (5) salmon and trout in one day, but not more than one (1) from among Rainbow Trout and Brown Trout.
- Grand River (Div. 4) between the West Garafraxa 2nd Line and Scotland Street in the Town of Fergus; Tower Street and the Bissel Dam in Nichol Twp. in the Town of Fergus; and a point 100m (328 ft.) downstream of a bridge located at the southern boundary of the Elora Gorge Conservation Area and a point 100m (328 ft.) upstream of Pilkington 2nd Line in Pilkington Twp.: five (5) salmon and trout combined none of which may be brook, brown or rainbow trout.

B. Catch and Possession Limits for Individual Species of Salmon and Trout

(Subject to Combined Species Limits in Part A)

Brook Trout

Five (5) in one day, except those waters below:

- Divs. 1 & 2: three (3) in one day.
- Credit River (Div. 4), between the Forks of the Credit Provincial Park gate and Hwy. 24, Caledon Twp.: one (1) in one day; minimum length of 50cm (19.7 in.).
- Grand River (Div. 4), between the West Garafraxa 2nd Line and Scotland Street in West Garafraxa Twp. in the Town of Fergus; Tower Street and the Bissel Dam in Nichol Twp. in the Town of Fergus; and a point 100m (328 ft.) downstream of a bridge located at the southern boundary of the Elora Gorge Conservation Area and a point 100m (328 ft.) upstream of Pilkington 2nd Line in Pilkington Twp.: zero (0) in one day.

Brown Trout

Five (5) in one day, except those waters below:

- Credit River (Div. 4), between the Forks of the Credit Provincial Park gate and Hwy. 24, Caledon Twp.: one (1) in one day; minimum length of 50cm (19.7 in.).
- Whiteman's (Horner) Creek (Div. 4), between Robinson Road and Cleaver Sideroad, Brantford Twp.: one (1) in one day; minimum length of 50cm (19.7 in.).
- Grand River (Div. 4), between the West Garafraxa 2nd Line and Scotland Street in West Garafraxa Twp. in the Town of Fergus; Tower Street and the Bissel Dam in Nichol Twp. in the Town of Fergus; and a point 100m (328 ft.) downstream of a bridge located at the southern boundary of the Elora Gorge Conservation Area and a point 100m (328 ft.) upstream of Pilkington 2nd Line in Pilkington Twp.: zero (0) in one day.

Rainbow Trout

Five (5) in one day, except:

- Whiteman's (Horner) Creek (Div. 4), between Robinson Road and Cleaver Sideroad, Brantford Twp.: one (1) in one day; minimum length of 50cm (19.7 in.).
- Grand River (Div. 4), between the West Garafraxa 2nd Line and Scotland Street in West Garafraxa Twp. in the Town of Fergus; Tower Street and the Bissel Dam in Nichol Twp. in the Town of Fergus; and a point 100m (328 ft.) downstream of a bridge located at the southern boundary of the Elora Gorge Conservation Area and a point 100m (328 ft.) upstream of Pilkington 2nd Line in Pilkington Twp.: zero (0) in one day.

Lake Trout

- Divs. 1 & 2: three (3) in one day.
- Divs. 3, 4 & 5: two (2) in one day.

Splake

- Divs. 1 & 2: three (3) in one day.
- Divs. 3 & 4: five (5) in one day.

Atlantic Salmon

One (1) in one day.

Minimum length of 63cm (24.8 in.) in:

- Lake Ontario (Div. 2);
- Waters in the Regional Municipality of Niagara (Div. 3); and
- Waters in the regional municipalities of Hamilton-Wentworth (including Hamilton Harbour), Halton, Peel, York and Durham (including the Town of Whitby and the City of Oshawa) (Div. 4).

FALL FISHING FOR RAINBOW AND BROWN TROUT - MAP A

The normal open season [April 30 (last Sat.) - Sept. 30] is extended to Apr. 30 (last Sat.) - Dec. 31 in:

Division 3

► Elgin County

Big Otter Creek – Bayham Twp.

Little Otter Creek – East branch of Big Otter Creek, in Bayham Twp.

► Regional Municipality of Haldimand-Norfolk

Big Creek and North Creek – South of Hwy. 3 in Delhi and Norfolk Twps. or the former townships of Middleton, Charlotteville, North Walshingham and South Walshingham.

Young's (Ryerse) Creek – Twp. of Delhi and the City of Nanticoke or the former Twps. of Charlotteville and Woodhouse, from the mill dam on Lot 23, Conc. III, Charlotteville Twp., to Lake Erie.

Division 4

► Bruce County

Little Sauble River – Bruce Twp. from Hwy. 21 to Lake Huron.

Sauble River – Amabel Twp. from Sauble Falls to Lake Huron.

Saugeen River – Arran, Amabel, Brant, Elderslie and Saugeen Twps. and in the Town of Walkerton and the Village of Paisley, between the Truax Dam (Walkerton) and the westerly edge of the abutments of Denny's Dam.

► Grey County

Beaver River – Collingwood Twp. from the Thornbury hydro dam to Georgian Bay.

Bighead River – St. Vincent Twp.

► Huron County

Bayfield River – Goderich and Stanley Twps. from Hwy. 4 to Hwy. 21.

Maitland River – Colborne, Goderich, Turnberry, East and West Wawanosh Twps. between Hwy. 4 and Hwy. 21.

Nine Mile (Lucknow) River – Ashfield and West Wawanosh Twps. between Hwy. 86 and Lake Huron.

► Simcoe County

Hog Creek – Tay Twp. from the C.P.R. bridge to Georgian Bay.

North River – Matchedash Twp. from MacLaughlins Falls to Matchedash Bay (Georgian Bay).

Sturgeon River – From the south boundary of Tay Twp. to Georgian Bay.

► Regional Municipality of Durham

South of Hwy. 2.

► Regional Municipality of Halton

Bronte Creek – Town of Oakville between Hwy. 5 and the unopened road allowance at Rebecca Street.

STREAM MOUTHS WITH A YEAR-ROUND OPEN SEASON ON RAINBOW AND BROWN TROUT – MAP A

Division 3

► Regional Municipality of Haldimand-Norfolk

Big Creek – Delhi and Norfolk Twps. from Regional Road 21 to Long Point Bay of Lake Erie.

Black Creek – City of Nanticoke from Hwy. 3 to Lake Erie.

Lynn River – Town of Port Dover and the City of Nanticoke from the Misner Dam to Lake Erie.

Trout Pond of Waterford Ponds – City of Nanticoke.

Young's Creek – City of Nanticoke formerly the Twp. of Woodhouse, from the downstream side of the lakeshore road bridge to the waters edge of Lake Erie at Port Ryerse.

► Regional Municipality of Niagara

Fifteen Mile Creek – City of St. Catharines and Town of Lincoln between the Queen Elizabeth Way and Lake Ontario.

Forty Mile Creek – Town of Grimsby between the Queen Elizabeth Way and Lake Ontario.

Sixteen Mile Creek – Town of Lincoln between the Queen Elizabeth Way and Lake Ontario.

Twelve Mile Creek – City of St. Catharines between Lakeport Road and Lake Ontario.

Twenty Mile Creek – Town of Lincoln between the Queen Elizabeth Way and Lake Ontario.

► Lambton County

Ausable River – Bosanquet Twp. from Hwy. 21 bridge to Lake Huron at Port Franks (known as "The Cut").

Division 4

► Bruce County

Penetangore River – Town of Kincardine from Queen Street to Lake Huron.

Sauble River – Amabel Twp., 440m (1444 ft.) downstream from the lowest ledge of Sauble Falls to Lake Huron.

Saugeen River – Saugeen and Amabel Twps. from the cement abutments below Denny's Dam to Lake Huron.

► Grey County

Bighead River – Town of Meaford from the Hwy. 26 bridge to Nottawasaga Bay (Georgian Bay).

Keefer's Creek – Sydenham Twp. from the bridge on County Road 15 to Georgian Bay.

Pottawatomi River – City of Owen Sound from the intersection of 15th Street West and 7th Avenue to Georgian Bay.

Sydenham River – City of Owen Sound from a point 177m (581 ft.) downstream from the Mill Dam to Georgian Bay.

Telfer (Bothwell's) Creek – Sydenham Twp. from the bridge on County Road 15 to Georgian Bay.

➤ **Huron County**

Bayfield River – Goderich and Stanley Twps. from Hwy. 21 to Lake Huron.

Maitland River – Colborne Twp. and the Town of Goderich from Hwy. 21 to Lake Huron.

➤ **Regional Municipality of Halton**

Bronte Creek – Town of Oakville from Hwy. 2 to Lake Ontario.

Grindstone Creek – City of Burlington from Hwy. 2 (Plains Road) to Hamilton Harbour of Lake Ontario.

Oakville Creek – Town of Oakville from Hwy. 2 to Lake Ontario.

➤ **Regional Municipality of Hamilton-Wentworth**

Grindstone Creek – City of Burlington from Hwy. 2 (Plains Road) to Hamilton Harbour of Lake Ontario.

Spencer Creek – City of Hamilton from Hwy. 102 (Cootes Dr.) to Lake Ontario.

➤ **Regional Municipality of Peel**

Credit River – City of Mississauga from the Queen Elizabeth Way to Lake Ontario and from the northside of Dundas St. bridge (Hwy. 5) to south side of Burnamthorpe Rd. bridge.

➤ **Regional Municipality of Metropolitan Toronto**

Humber River – Cities of Etobicoke, York and Toronto between the "Old Mill Dam", 430m (1410 ft.) upstream of the Old Mill Road bridge, and Lake Ontario.

Rouge River – City of Scarborough between Hwy. 2 and Lake Ontario.

➤ **Regional Municipality of Durham**

All Streams and Rivers – Between the southerly limit of the C.N.R. tracks and Lake Ontario.

Rouge River – Town of Pickering between Hwy. 2 and Lake Ontario.

➤ **Simcoe County**

Coldwater River – From County Road 19 to Georgian Bay.

Nottawasaga River – From the Boyne River to Georgian Bay.

Sturgeon River – From the lamprey barrier to Georgian Bay.

FISH SANCTUARIES - MAP A

The dates indicate a period when fishing is NOT allowed. All dates are inclusive. Check with the local MNR office for a more detailed description.

Division 2

Lake Erie (Inner Bay of Long Point Bay) – Delhi and Norfolk Twps.: May 15 - June 24 (Fri. preceding last Sat.).

Lake Erie (Cassaday Point) – City of Port Colborne: June 1 - July 15.

Lake Erie (Gravelly Bay) – From Sugar Loaf Point to H. Knoll Lakeview park in the City of Port Colborne: June 1 - July 15.

Lake Erie (Gravelly Bay) – From breakwall on east side of Welland Canal to a marine buoy 500m (1640 ft.) east then north to the water's edge between Lots 24 & 25, Conc. 1 in the City of Port Colborne: June 1 - July 15.

Lake Erie – Town of Fort Erie: June 1 - July 15.

Division 3

Big Creek – Delhi Twp., south of Hwy. 3 to Regional Road 21 at Lynedoch: Jan. 1 - Apr. 29 (Fri. preceding last Sat.).

Bradley Creek – Yarmouth Twp., from the Elgin County Road 35 dam to Catfish Creek: Mar. 1 - Apr. 29 (Fri. preceding last Sat.).

Fisher's Creek – Delhi Twp.: Jan. 1 - Apr. 23 (Fri. preceding last Sat.) & Oct. 1 - Dec. 31.

Normandale Creek – Delhi Twp.: Jan. 1 - Apr. 29 (Fri. preceding last Sat.) & Oct. 1 - Dec. 31.

North Creek – Delhi Twp., south of Hwy. 3: Jan. 1 - Apr. 29 (Fri. preceding last Sat.).

Stoney Creek – Delhi Twp., south of Hwy. 3 to Big Creek: Jan. 1 - Apr. 29 (Fri. preceding last Sat.).

Thames River – Elgin, Kent and Middlesex counties; Chatham to Middlemiss Bridge: Mar. 15 - Apr. 15.

Young's (Ryerse) Creek – Delhi Twp. and the City of Nanticoke, between the dam on Lot 23, Conc. III in the former Twp. of Charlotteville and the downstream side of the bridge on the Lakeshore Road at Port Ryerse: Jan. 1 - Apr. 29 (Fri. preceding last Sat.).

Division 4

Bayfield River – On upstream side of Hwy. 21 bridge: Jan. 1 - Apr. 29 (Fri. preceding last Sat.).

Bayfield River Tributaries – Huron County: Jan. 1 - Apr. 29 (Fri. preceding last Sat.) & Oct. 1 - Dec. 31.

Beatty Saugeen River and tributaries – Normanby, Bentinck Twps. and that part of Egremont Twp. from Hwy. 6 upstream to the dams at Orchard Park: Apr. 30 (last Sat.) - May 31.

Bighead River Tributaries – Sydenham, St. Vincent and Holland Twps.: Apr. 30 (last Sat.) - May 31.

Black River – Town of Georgina: May 14 (2nd Sat.) - June 24 (Fri. preceding last Sat.).

Boyne River – Tosorontio Twp., from the dam in Earl Rowe Provincial Park downstream to the park boundary: Jan. 1 - May 13 (Fri. preceding 2nd Sat.) & Sept. 16 - Dec. 31.

Bronte Creek – Town of Oakville from the northerly limit of Hwy. 2 and the southerly limit of the unopened road allowance at Rebecca Street: closed all year.

Bronte Creek – Town of Oakville and Flamborough Twp., from the C.P.R. track in the Village of Progreton to Hwy. 5, including part of Limestone Creek in the town of Milton: Jan. 1 - Apr. 29 (Fri. preceding last Sat.) & Sept. 30 - Dec. 31.

Chesley Lake – Amabel Twp.: Jan. 1 - Jan. 31 & Dec. 15 - Dec. 31.

Colpoy's Creek – Albemarle Twp., from the upper bridge on County Road 9 downstream to the mouth: closed all year.

Credit River – City of Mississauga, between Q.E.W. and Hwy. 5: Jan. 1 - Apr. 29 (Fri. preceding last Sat.) & Aug. 15 - Dec. 31.

Credit River – City of Mississauga, between Burnhamthorpe Road and Streetsville Memorial Park: Jan. 1 - Apr. 29 (Fri. preceding last Sat.) & Aug. 15 - Dec. 31.

Gleason Brook – Keppel Twp., from the bridge on County Road 26 to the mouth: closed all year.

Grindstone Creek – Flamborough Twp. and City of Burlington, Waterdown Road to Hwy. 2 (Plains Road): Jan. 1 - Apr. 29 (Fri. preceding last Sat.) & Sept. 30 - Dec. 31.

Indian Brook and tributaries – Collingwood Twp.: Apr. 30 (last Sat.) - May 31.

Indian River – Sarawak Twp.: Apr. 30 (last Sat.) - May 31.

Keefer's Creek – Sydenham Twp.: Apr. 30 (last Sat.) - May 31.

Little Sauble River and tributaries – Bruce Twp., all waters upstream of a line drawn across the river at a point 180m (590 ft.) upstream from the foot bridge in Inverhuron Provincial Park: Apr. 30 (last Sat.) - May 31.

Maitland River – On upstream side of Hwy. 21 bridge: Jan. 1 - Apr. 29 (Fri. preceding last Sat.).

Maitland River Tributaries – Huron County between bridges on Hwys. 21 and 4: Jan. 1 - Apr. 29 (Fri. preceding last Sat.) & Oct. 1 - Dec. 31.

Meux Creek in Neustadt Village – Normanby Twp., from dam face to South Saugeen River: Apr. 30 (last Sat.) - May 31.

Naftel's Creek and tributaries – Huron County: Jan. 1 - Apr. 29 (Fri. preceding last Sat.) & Oct. 1 - Dec. 31.

Nine Mile River – Huron County, Hwy. 86 downstream to Lake Huron: Jan. 1 - Apr. 29 (Fri. preceding last Sat.).

Nine Mile River Tributaries – Between Hwy. 86 and Lake Huron: Jan. 1 - Apr. 29 (Fri. preceding last Sat.) & Oct. 1 - Dec. 31.

Nine Mile River – 100m (328 ft.) above Port Albert Fishway; Ashfield Twp.: closed all year.

North River – Tay and Matchedash Twps.: Apr. 1 - May 13 (Fri. preceding 2nd Sat.).

Nottawasaga River – Essa Twp.; from Hwy. 89 above Nicholson Dam downstream to near the confluence of the Boyne River: Jan. 1 - May 13 (Fri. preceding 2nd Sat.) & Sept. 16 - Dec. 31.

Pefferlaw Brook – Town of Georgina: May 14 (2nd Sat.) - June 24 (Fri. preceding last Sat.).

Pottawatomi River and Maxwell Creek – City of Owen Sound and Derby Twp.: Apr. 30 (last Sat.) - May 31.

Pretty River and tributaries – Town of Collingwood; Nottawasaga Twp.: Jan. 1 - Apr. 29 (Fri. preceding last Sat.).

Sangs Creek and tributaries – Arran Twp.: Apr. 30 (last Sat.) - May 31.

Saugeen River – Brant Twp., from dam face of Maple Hill Dam to 300m (984 ft.) downstream including Hydro Electric Power Channel: closed all year.

Saugeen River – Amabel and Saugeen Twps., Denny's Dam to the concrete abutments downstream: Closed to night fishing: Oct. 1 - Oct. 31 (one-half hour after sunset to one-half hour before sunrise).

Severn River – Orillia Twp.: Apr. 1 - May 13 (Fri. preceding 2nd Sat.).

Silver Creek and tributaries – Town of Collingwood and Nottawasaga Twp.: Jan. 1 - Apr. 29 (Fri. preceding last Sat.).

Spencer Creek (Valen's Reservoir) – Flamborough Twp.: Apr. 1 - June 24 (Fri. preceding last Sat.).

Sturgeon River – Tay and Medonte Twps. upstream from the lamprey barrier: Jan. 1 - Apr. 29 (Fri. preceding last Sat.).

Sydenham River – City of Owen Sound, from the Mill Dam to a point 177m (581 ft.) downstream: closed all year.

Sydenham River – City of Owen Sound and Derby Twp., from Inglis Falls to Mill Dam, excluding Artificial Spawning Channels Nos. 1 and 2: Apr. 30 (last Sat.) - May 31.

Sydenham River – Artificial Spawning Channels Nos. 1 and 2, Derby Twp.: closed all year.

Talbot River – Mara Twp.: Mar. 16 - June 24 (Fri. preceding last Sat.).

Telfer Creek (Bothwell's Creek) – Sydenham Twp.: Apr. 30 (last Sat.) - May 31.

Thames River – Between the dam at Gordon Pittock Reservoir and the bridge at Hwy. 59: Mar. 15 - May 13 (Fri. preceding 2nd Sat.).

Tug Channel and unnamed channel between Little Lake and Georgian Bay – Tay and Georgian Bay Twps.: Apr. 1 - May 13 (Fri. preceding 2nd Sat.).

Willow Creek – St. Edmunds Twp.: Apr. 30 (last Sat.) - May 13 (Fri. preceding 2nd Sat.).

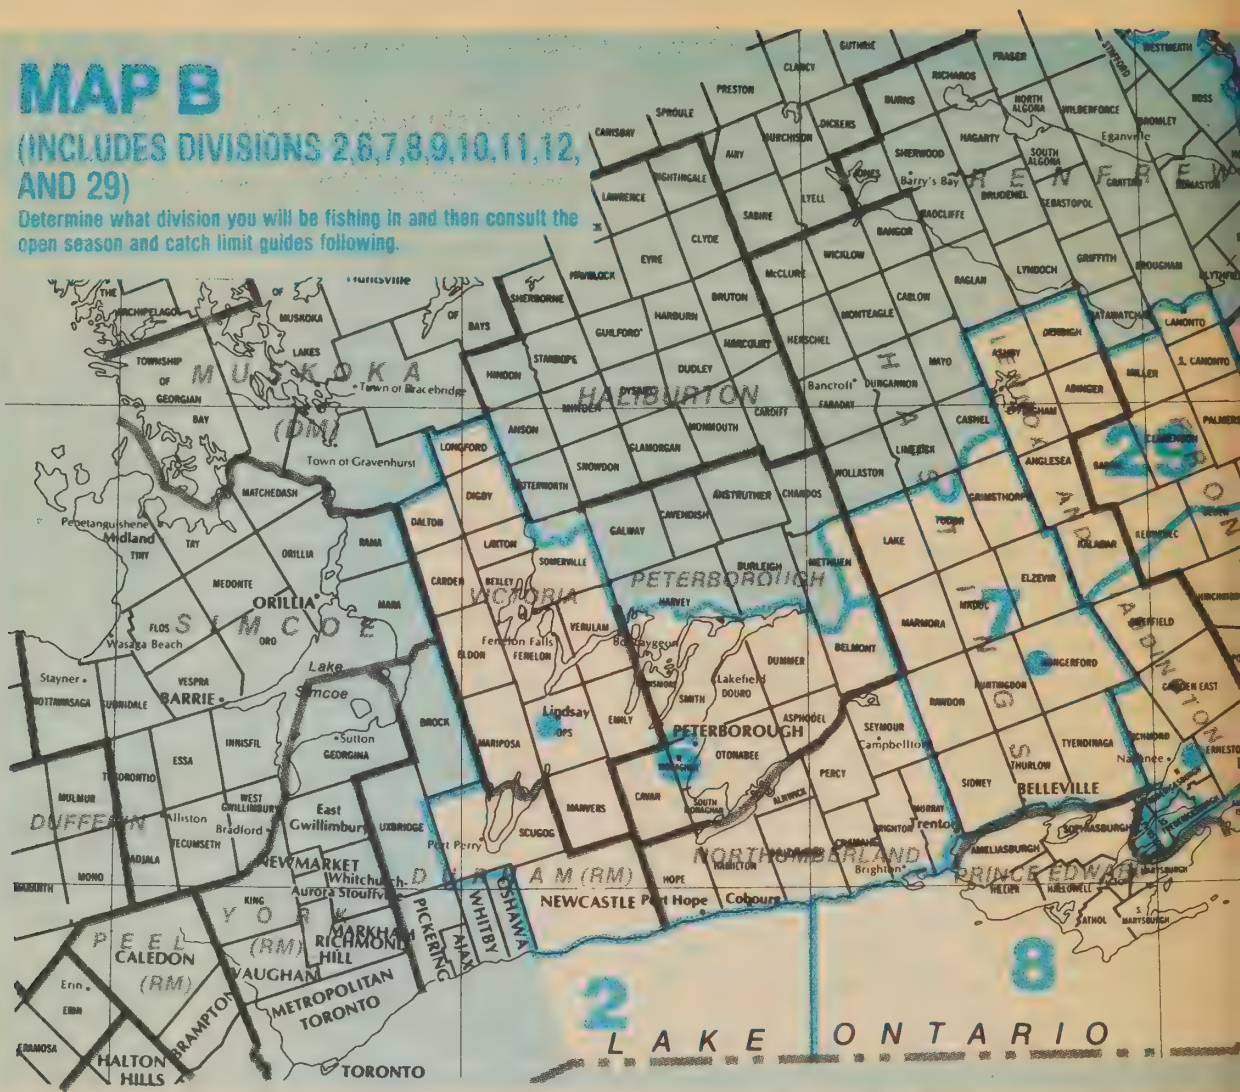

Division 5

Beaverton River – Brock Twp., west of Hwy. 11: May 14 (2nd Sat.) - June 24 (Fri. preceding last Sat.).

MAP B

(INCLUDES DIVISIONS 2,6,7,8,9,10,11,12, AND 29)

Determine what division you will be fishing in and then consult the open season and catch limit guides following.

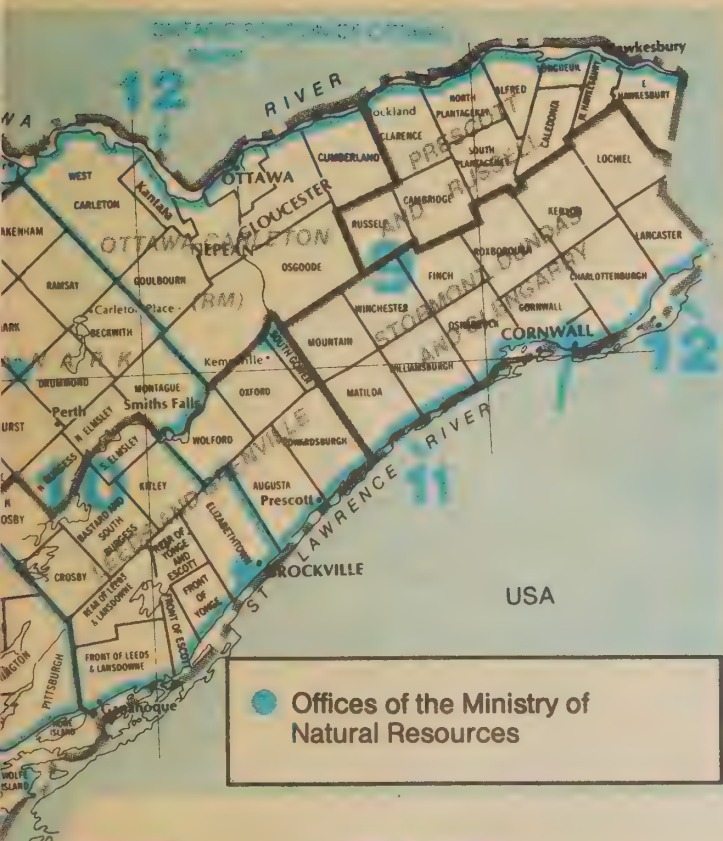

OPEN SEASON GUIDE - MAP B

ALL DATES INCLUSIVE • Indicates open season

Please see *exceptions* to the Open Season on the pages following this Guide.

SPECIES	OPEN SEASON	DIVISION							
		2	6	7	8	9	10	11	12 29
Northern Pike	Open all year	•							
	Jan. 1 - Mar. 31 & May 7 (1st Sat.) - Dec. 31				•			•	
	Jan. 1 - Feb. 28 (last day) & May 14 (2nd Sat.) - Dec. 31							•	
	Jan. 1 - Mar. 31 & May 14 (2nd Sat.) - Dec. 31				•	•			• •
	May 14 (2nd Sat.) - Nov. 15		•						
Walleye (Yellow Pickerel) and Sauger	Open all year	•							
	Jan. 1 - Feb. 28 (last day) & May 7 (1st Sat.) - Dec. 31					•			
	Jan. 1 - Feb. 28 (last day) & May 14 (2nd Sat.) - Dec. 31							•	
	Jan. 1 - Mar. 31 & May. 8 (2nd Sat.) - Dec. 31				•				• •
	May 14 (2nd Sat.) - Nov. 15		•						

Important message

It is illegal to fish for bass (or any other species) before the season opens. This is especially damaging to bass during the spawning and rearing periods in the spring. When adult bass are removed from their nests, the eggs and young bass are left unprotected and are subject to predation.

Fishing Division border waters

- Div. 6 includes Dalrymple Lake.
- Div. 7 includes Crowe Lake in Belmont Twp.
- Div. 10 includes Opinicon, Wolfe and Silver Lakes in the County of Frontenac; and White, Brook, Clyde, and Bartraw Lakes in the County of Renfrew.

EXCEPTIONS TO THE OPEN SEASON GUIDE – MAP B

Northern Pike

- Lake St. Francis (Div. 12): open all year.

Walleye and Sauger

- Lake Scugog (Div. 6): Jan. 1 - Feb. 28 & May 14 (2nd Sat.) - Nov. 15.

Muskellunge

- Ottawa River and Lake St. Francis (Div. 12): June 18 (3rd Sat.) - Nov. 30.

Brown Trout

- Div. 6: See "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout" on page 26.

Rainbow Trout

- Div. 6: See "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout" on page 26.

Splake

(The following lakes have been stocked with Splake)

- Garter, Little Clear, White, Brooke, Cronk, Draper, Little Salmon, Dog, Upper Rock and Leo Lakes (Div.9): Feb. 5 (1st Sat.) to Feb. 20 (Sunday following 3rd Sat) & Mar. 12 (2nd Sat.) to Nov. 30.
- Lower Beverley (in the townships of Bastard and South Crosby), Farren, Perch, Indian (South Crosby Twp.) and Otter (South Elmsley Twp.) Lakes (Div. 10): Feb. 5 (1st Sat.) - Feb. 20 (Sunday following 3rd Sat.) & Mar. 12 (2nd Sat.) to Nov. 30.

- Big Mair, Blue, Brooks, Egg, Granite, Grindstone, Labine, Little Long, Little Merrill, Little Yirkie, Machesney, McCausland and Spring Lakes (Div. 29): Mar. 12 (2nd Sat.) to Nov. 30.

Pacific Salmon

- Div. 6: waters in the Town of Newcastle and in the townships of Hope, Hamilton, Haldimand, Cramahe, Brighton and Murray, lying north of Hwy. 2: Apr. 30 (last Sat.) - Sept. 30.
- Div. 6: waters in the Town of Newcastle and in the townships of Hope, Hamilton, Haldimand, Cramahe, Brighton and Murray, lying between Hwy. 2 and the southerly limit of the C.N.R. right-of-way: Apr. 30 (last Sat.) - Dec. 31.
- Div. 6: waters in the Town of Newcastle and in the townships of Hope, Hamilton, Haldimand, Cramahe, Brighton and Murray, lying between the southerly limit of the C.N.R. right-of-way and Lake Ontario, excluding Shelter Valley Creek: open all year.

Atlantic Salmon

- Lake Ontario (Div. 2): open all year.
- Div. 6: waters in the Town of Newcastle and in the townships of Hope, Hamilton, Haldimand, Cramahe, Brighton and Murray, lying north of the southerly limit of the C.N.R. right-of-way: closed all year.
- Div. 6: waters in the Town of Newcastle and in the townships of Hope, Hamilton, Haldimand, Cramahe, Brighton and Murray, lying between the southerly limit of the C.N.R. right-of-way and Lake Ontario, excluding Shelter Valley Creek: open all year.

Sturgeon

- Ottawa River (Div. 12): Jan. 1 - May 14 & June 15 - Dec. 31.

Yellow Perch

➤ Lake Scugog (Div. 6): Jan. 1 - Feb. 28 & May 14 (2nd Sat.) - Nov. 15.

All fishing is prohibited in:

➤ Div. 6 (including Kawartha Lakes and Dalrymple Lake in Victoria and Simcoe Counties) from Nov. 16 to the Friday preceding the last Saturday in April in any year. This restriction does not apply to Lake Scugog; nor does it affect "Fall Fishing for Rainbow and Brown Trout" and "Stream Mouths with a Year-Round Open Season on Rainbow and Brown Trout" on page 26.

Note:

■ In Div. 29, no person shall angle through ice with more than one line from Mar. 12 (2nd Sat.) - Apr. 30.

■ The use of live fish for bait is prohibited in some lakes in Divs. 9 & 10. Contact the local MNR office for specific details.

■ In Divs. 9, 10 & 29 there is a year-round ban on fishing with live or dead lake herring (cisco) as bait.

■ A sport fisher may have either an Ontario Resident licence or a Quebec Resident licence to fish in Div. 12 and Lake Timiskaming (Div. 18).

■ The use of alewife or gizzard shad (live or dead) as bait in the waters of Big Rideau Lake, Charleston Lake or Redhorse Lake in Div. 10 is prohibited.

STANDARD CATCH, POSSESSION AND SIZE LIMITS – MAP B

(For Conservation Licence Limits, please see page 3.)

Northern Pike

Catch limit: Six (6) in one day.

Walleye (Yellow Pickerel), sauger or any combination thereof

Catch limit:

- Div. 8: four (4) in one day;
- All other waters in Map B Divisions: six (6) in one day.

Size limit: Division 10 - minimum length of 35cm (13.8 in.) except –

Walleye (Yellow Pickerel)

- Bennett, Clayton and Taylor Lakes: minimum length of 41cm (16.1 in.).
- Robertson Lake: no size limit.
- All other waters in Div. 10 (except Pike, Christie and White Lakes): minimum length of 35cm (13.8 in.).
- Pike, Christie and White Lakes: legal size under 35cm (13.8 in.) and over 50cm (19.7 in.).

- Crotch Lake (Div. 29): legal size under 46cm (18.1 in.) and over 61cm (24 in.)

Largemouth and Smallmouth Bass or any combination thereof

Catch limit: Six (6) in one day.

Size limit: Div. 10: minimum length of 30cm (11.8 in.).

Muskellunge

Catch Limit: One (1) in one day.

Possession Limit: Two (2).

Size limit:

- Div. 8 and Lake St. Francis (Div. 12): minimum length of 102cm (40.1 in.).
- Div. 11: minimum length of 112cm (44.1 in.).
- All other waters in Map B Divisions: minimum length of 86cm (33.9 in.).

Sturgeon

Catch limit: One (1) in one day.

Crappie

Catch limit: Divs. 8, 9, 10, 11, 12 & 29: thirty (30) in one day.

Whitefish

Catch limit: twenty-five (25) in one day.

Salmon and Trout

(see Definitions on page 13)

If you are fishing for one species of salmon or trout refer to Part B: "Catch and Possession Limits for Individual Species of Salmon and Trout". If you are fishing for more than one species of salmon or trout refer to both Part A and Part B.

A. Catch and Possession Limits for Salmon and Trout COMBINED

(Not exceeding Individual Species Limits listed in Part B)

- Divs. 6, 7, 9, 10, 12 & 29: five (5) salmon and trout combined, in one day.
- Lake Ontario and the St. Lawrence River (Divs. 2, 8 & 11): five (5) salmon and trout in one day, but not more than three (3) may be Lake Trout, Brook Trout, and Splake combined.

B. Catch and Possession Limits for Individual Species of Salmon and Trout (Subject to Combined Species Limits in Part A)

Brook Trout

Five (5) in one day, except:

- Lake Ontario and the St. Lawrence River (Divs. 2, 8 & 11): three (3) in one day.

Brown Trout

Five (5) in one day.

Rainbow Trout

Five (5) in one day.

Lake Trout

Three (3) in one day, except:

- Divs. 6, 7, 9, 10, 12 & 29: two (2) in one day.

Splake

Five (5) in one day, except:

- Lake Ontario and the St. Lawrence River (Divs. 2, 8 & 11): three (3) in one day.

Pacific Salmon

Five (5) in one day.

Atlantic Salmon

One (1) in one day.

Lake Ontario (Divs. 2 & 8), and waters in the Town of Newcastle, and the townships of Hope, Hamilton, Haldimand, Cramahe, Brighton, and Murray (Div. 6): minimum length of 63cm (24.8 in.).

FALL FISHING FOR RAINBOW AND BROWN TROUT – MAP B

The normal open season Apr. 30 (last Sat.) - Sept. 30 in Div. 6 is extended to Apr. 30 (last Sat.) - Dec. 31 in the following areas:

Division 6

► Regional Municipality of Durham

South of Hwy. 2.

► Northumberland County

South of Hwy. 2.

STREAM MOUTHS WITH A YEAR-ROUND OPEN SEASON ON RAINBOW AND BROWN TROUT – MAP B

Division 6

► Regional Municipality of Durham

All streams and rivers – From the southerly limit of the C.N.R. tracks to Lake Ontario.

► Northumberland County

The Ganaraska River, Gages Creek and Cobourg Brook (Factory Creek) – lying between the southerly limit of the C.N.R. right-of-way to Lake Ontario.

FISH SANCTUARIES – MAP B

The dates indicate a period when fishing is NOT allowed. All dates are inclusive. Check with the local MNR office for a more detailed description.

Division 6

Bobcaygeon – Verulam and Harvey Twps., Trent-Severn Dam and Little Bob Dam to Pigeon Lake: Apr. 30 (last Sat.) - May 20 (Fri. following 2nd Sat.).

Bridgenorth Causeway – Smith and Ennismore Twps., 100m (328 ft.) on both sides of causeway on County Rd. No. 16 on Chemung Lake: Apr. 24 (last Sat.) - May 7 (Fri. preceding 2nd Sat.).

Buckhorn – Smith and Harvey Twps., Trent-Severn Dam to a point 400m (1312 ft.) below the dam: Apr. 30 (last Sat.) - May 20 (Fri. following 2nd Sat.).

Burleigh Falls, Perry's Creek, Stony Lake – Smith and Harvey Twps., Trent-Severn Dam to Stony Lake: Apr. 30 (last Sat.) - May 20 (Fri. following 2nd Sat.).

Coboconk; Gull River – Bexley and Somerville Trent-Severn Dam downstream to narrows approaching Balsam Lake: Apr. 30 (last Sat.) - May 20 (Fri. following 2nd Sat.).

Fenelon Falls – Fenelon Twp., Trent-Severn Dam to second power line 1000m (3281 ft.) downstream: Apr. 30 (last Sat.) - May 20 (Fri. following 2nd Sat.).

Ganaraska River – Town of Port Hope, from Hwy. 401 downstream to a point 40m (131 ft.) south of Corbett Dam: closed all year.

Gannon's Narrows – Harvey and Ennismore Twps.: Apr. 30 (last Sat.) - May 13 (Fri. preceding 2nd Sat.).

Hastings – Percy and Asphodel Twps., Trent River fronting Conc. VIII: Apr. 30 (last Sat.) - May 20 (Fri. following 2nd Sat.).

Healey Falls – Seymour Twp., all water flowing from Seymour Lake from the northwesterly side of the bridge on County Road No. 50 to Crowe Bay: Apr. 30 (last Sat.) - May 20 (Fri. following 2nd Sat.).

Kirkfield – Carden Twp., Talbot River fronting Conc. VII, VIII and IX: Apr. 30 (last Sat.) - May 20 (Fri. following 2nd Sat.).

Lake Scugog – 100m (328 ft.) on both sides of Hwy. 7A (causeways), Scugog Twp.: Apr. 1 - May 13 (Fri. preceding 2nd Sat.).

Lindsay – Ops Twp., Scugog River from Trent-Severn Dam to Ops-Fenelon boundary: Apr. 30 (last Sat.) - May 20 (Fri. following 2nd Sat.).

Lovesick Dams – Smith and Harvey Twps.: Apr. 30 (last Sat.) - May 20 (Fri. following 2nd Sat.).

Omeme – Emily Twp., Pigeon River from Omeme Dam to C.N.R. bridge: Apr. 30 (last Sat.) - May 20 (Fri. following 2nd Sat.).

Peterborough – Otonabee River from Trent-Severn Dam at Lock 19 to Bensfort Bridge: Apr. 30 (last Sat.) - May 20 (Fri. following 2nd Sat.).

Rosedale – Fenelon Twp., Trent-Severn Dam to Cameron Lake: Apr. 30 (last Sat.) - May 20 (Fri. following 2nd Sat.).

Talbot River – Brock and Mara Twps.: Mar. 16 - June 24 (Fri. preceding last Sat.).

Young's Point – Smith and Douro Twps., Trent-Severn Dam to Hwy. 28 bridge: Apr. 30 (last Sat.) - May 20 (Fri. following 2nd Sat.).

Division 7

Crowe River – Village of Marmora: Apr. 1 - May 13 (Fri. preceding 2nd Sat.).

Lingham Lake – Grimsthorpe Twp.: Jan. 1 - June 24 (Fri. preceding last Sat.) & Dec. 1 - Dec. 31.

Trent River – City of Trenton between the C.N.R. bridge and the Dundas Street bridge: Apr. 1 - May 6 (Fri. before 1st Sat.).

Division 8

Consecon Creek – Hillier and Ameliasburgh Twps., from the dam in the Village of Consecon to Weller's Bay: Apr. 1 - May 6 (Fri. before 1st Sat.).

Consecon Creek – Hillier Twp., from Lot 86 in Conc. V to the mouth of the creek: Apr. 1 - May 6 (Fri. before 1st Sat.).

Moira River and Bay of Quinte within Belleville Harbour – City of Belleville: Apr. 1 - May 6 (Fri. before 1st Sat.).

Division 9

Hoasic Creek (known as Nash Creek) – Williamsburg Twp.: May 14 - June 24 (last Fri.).

Hoople Creek – Osnabruck Twp.: Apr. 1 - Apr. 30.

Napanee River – Town of Napanee: Apr. 1 - May 7 (Fri. before 1st Sat.).

Nation River – Cambridge Twp., Coupal's dam in Casselman downstream to the westerly limit of Lot II Conc. V: Apr. 1 - Apr. 30.

Opinicon Lake (Darling Bay) – Storrington Twp.: closed all year.

Raisin River – That portion of the river in the village of Martintown and Lot 43, Charlottenburgh Twp.: Apr. 1 - Apr. 30.

South Nation River – North Plantagenet Twp., between north side of Conc. IV and a point 30.5m (100 ft.) upstream of C.P.R. right-of-way: Apr. 1 - Apr. 30.

South Nation River – Finch Twp., Hamlet of Chrysler: Apr. 1 - Apr. 30.

South Nation River – Winchester Twp., Village of Chesterville: Apr. 1 - Apr. 30.

White Lake – Olden Twp.: closed all year.

Division 10

Black Creek – Front of Leeds and Lansdowne Twp.: closed all year.

Christie Lake – Bathurst Twp.: Apr. 1 - June 6 (1st Mon.).

Dalhousie Lake and Mississippi River – Dalhousie Twp.: Mar. 1 - June 6 (1st Mon.).

Indian River and Clayton Lake – Lanark Twp.: Mar. 1 - June 6 (1st Mon.).

Mississippi River – Pakenham Twp., between the falls in the Town of Almonte and upstream side of bridge on Lanark County Road 20: Mar. 1 - June 6 (1st Mon.).

Mississippi River – Drummond Twp., 79.2m (260 ft.) east, and 240.8m (790 ft.) west of Main Street: closed all year.

Mississippi River – Drummond Twp., from 79.2m (260 ft.) east of Main Street to Mississippi Lake: Mar. 1 - June 6 (1st Mon.).

Newboro Lake (Old Iron Mine Bay) – N. Crosby and S. Crosby Twps.: closed all year.

Newboro Lake (The Bog) – S. Crosby Twp.: closed all year.

Opinicon Lake (Murphy Bay) – S. Crosby Twp.: closed all year.

Pierce's Flow – Rear of Leeds and Lansdowne Twps.: closed all year.

Rideau Lake (The Bog), Rideau Lake (Long Island) – Bastard and S. Burgess Twp.: closed all year.

Sand Lake – N. Crosby Twp., that part lying in Lots 15 and 16 in Conc. IX and Lot 15 in Conc. VIII, and the waters of the river flowing between Wolfe Lake and Sand Lake: closed all year.

Sand Lake (Freeman's Bay) – S. Crosby Twp.: closed all year.

Tay River – Bathurst Twp.: Apr. 1 - June 6 (1st Mon.).

Westport Pond – N. Crosby Twp.: closed all year.

Whitefish Lake (Jones Falls Bay) – S. Crosby Twp.: closed all year.

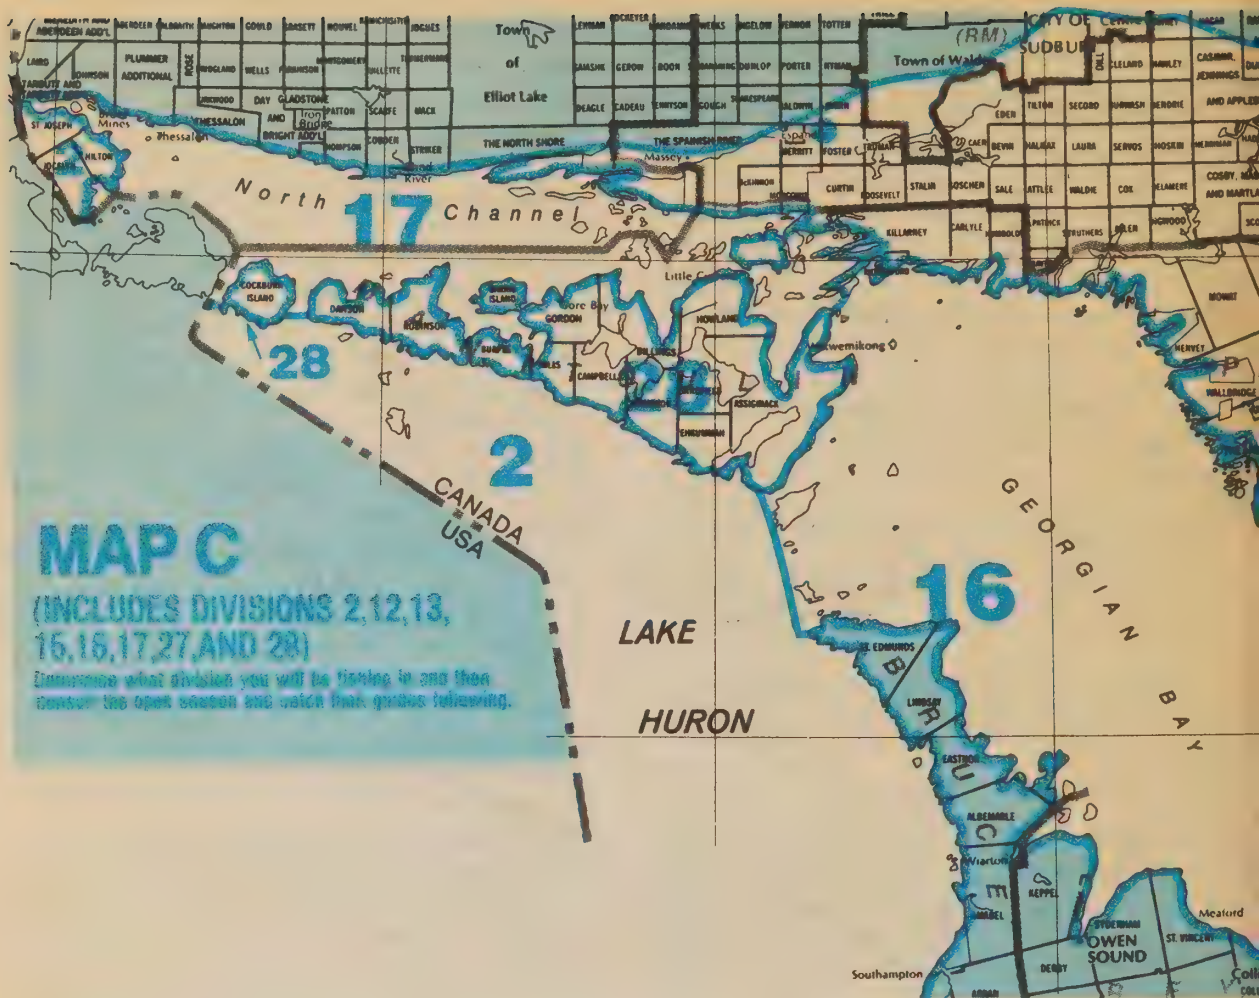

Wiltse Creek – Front of Leeds and Lansdowne Twp.: closed all year.

Division 12

Ottawa River – Between the Quebec Carillon Power House and Pointe Fortune: Apr. 1 - Apr. 30.

Division 29

Mississippi River and Crotch Lake – Palmerston Twp., from Sidedam Rapids to north shore of Skull Island including McLean's Bay: Mar. 1 - June 6 (1st Mon.).

EXCEPTIONS TO THE OPEN SEASON GUIDE – MAP C

Northern Pike

- Lake St. Francis (Div. 12): open all year
- Lake Nosbonsing (East Ferris, Bonfield and Chisholm Twps.): Jan 1- Mar. 15 & May 21 (Sat. before Victoria Day) - Dec. 31.

Walleye

- Upper Madawaska River (Div. 15) - from the Village of Whitney to the Hamlet of Madawaska: closed all year.
- Jack Lake (Div. 15) Burleigh and Methuen Twps.: Jan. 1 - Mar. 31 & May 14 (2nd Sat.) - Dec. 31.
- Lake Clear and its associated water bodies (Little Clear, Mud and Meadow Lakes): (Div. 15) Sebastopol Twp.: May 21 (3rd Sat.) - Dec. 31.
- Chateau Lake (Div. 15): May 21 (3rd Sat.) - Dec. 31.

- Shebeshekong Bay of Georgian Bay: closed all year.

- Restoule, Stormy, Clear and Commanda Lakes (Div. 15): Jan. 1 - Mar. 15 & May 16 - Dec. 31.

Walleye & Sauger

- Lake Nosbonsing (East Ferris, Bonfield and Chisholm Twps.) (Div. 15): Jan. 1 - Mar. 15 & May 21 (Sat. before Victoria Day) - Dec. 31.

Largemouth Bass

- Div. 16: Jan. 1 - Mar. 31 & June 25 (last Sat.) - Dec. 31.

Muskellunge

- French River from Chaudiere and Little Chaudiere dams to Georgian Bay and Pickerel River from C.N.R. right-of-way to Georgian Bay (Div. 15): June 18 (3rd Sat) - Nov. 30.

Brook Trout & Brown Trout

➤ Lake Nosbonsing (East Ferris, Bonfield and Chisholm Twps.) (Div. 15): Jan. 1 - Mar. 15 & May 21 (Sat. before Victoria Day) - Sept. 30.

Lake Trout

➤ Lake Joseph (Div. 15): Feb. 15 - Sept. 30.

➤ Anstruther, Bay, Chandos, Eels, L'Amable and Burns Lakes (Div. 15): May 21 (3rd Sat.) - Sept. 30.

➤ Bell, George and Peter Lakes (Div. 15): closed all year.

Lake Trout, Splake and Backcross Hybrid

➤ Lake Nosbonsing (East Ferris, Bonfield and Chisholm Twps.) (Div. 15): Jan. 1 - Mar. 15 & May 21 (Sat. before Victoria Day) - Sept. 30.

➤ Div. 16:

- Waters in the east portion of the Big Sound and Parry Sound Harbour: Jan. 1 - Sept. 30.

- Waters of the central portion of the Big Sound, including Depot Harbour: May 1 - Sept. 30.

- Waters of Big Sound between the Nias Islands and Cadotte Point of Parry Island: closed all year.

Note: Please contact the Parry Sound MNR office for a more detailed description.

Pacific Salmon, Rainbow Trout, Whitefish, Crappie, Yellow Perch and all other species not listed

➤ Lake Nosbonsing (East Ferris, Bonfield and Chisholm Twps.) (Div. 15): Jan. 1 - Mar. 15 & May 21 (Sat. before Victoria Day) - Dec. 31.

Atlantic Salmon

➤ Lake Nosbonsing (East Ferris, Bonfield and Chisholm Twps.) (Div. 15): Jan. 1 - Mar. 15 & May 21 (Sat. before Victoria Day) - Oct. 10.

Sturgeon

➤ Ottawa River (Div. 12): Jan. 1 - May 14 & June 15 - Dec. 31.

➤ French River (Div. 15): open all year.

➤ Lake Nosbonsing (East Ferris, Bonfield and Chisholm Twps.) (Div. 15): Jan. 1 - Mar. 15 & June 15 - Dec. 31.

Note:

■ Algonquin Park: All fishing is prohibited in Div. 13 from Jan. 1 - Apr. 29 (Fri. preceding last Sat.) & Dec. 1 - Dec. 31. The use or possession of live baitfish and live or dead lake herring (cisco) is prohibited in Algonquin Provincial Park at all times.

■ A sport fisher may have either an Ontario Resident licence or a Quebec Resident licence to fish in Div. 12 and Lake Timiskaming (Div. 18).

■ Lake Nipissing: All angling in Div. 27 is prohibited from Mar. 16 - May 20 (Fri. preceding Victoria Day) & Dec. 1 - Dec. 24.

STANDARD CATCH, POSSESSION AND SIZE LIMITS - MAP C

(For Conservation Licence Limits, please see page 3.)

Northern Pike

Catch limit: Six (6) in one day.

Walleye (Yellow Pickerel), Sauger or any combination thereof

Catch & size limit: Six (6) in one day except Lake Clear and its associated water bodies (Little Clear, Mud and Meadow Lakes) (Div. 15) - two (2), minimum length of 50cm (20").

Largemouth and Smallmouth Bass or any combination thereof

Catch limit: Six (6) in one day.

Muskellunge

Catch limit: One (1) in one day.

Possession Limit: Two (2).

Size limit:

- Divs. 16 & 17: minimum length of 102cm (40 in.).

- Lake St. Francis and Ottawa River (Div. 12): minimum length of 112cm (40 in.).

- All other waters in Map C Divisions: minimum length of 86cm (34 in.).

Sturgeon

Catch limit: One (1) in one day.

Crappie

Catch limit: Div. 12: thirty (30) in one day.

Whitefish

Catch limit: Twenty-five (25) in one day.

Perch

Catch limit:

- Divs. 17 & 28: fifty (50) in one day.

- All other waters in Map C Divisions: no limit.

Possession limit:

- Divs. 17 & 28: one hundred (100) in one day.

- All other waters in Map C Divisions: no limit.

Salmon and Trout

(see Definitions on page 13)

If you are fishing for one species of salmon or trout refer to Part B: "Catch and Possession Limits for Individual Species of Salmon and Trout". If you are fishing for more than one species of salmon or trout refer to both Part A and Part B.

A. Catch and Possession Limits for Salmon and Trout COMBINED

(Not exceeding Individual Species Limits listed in Part B)

- All waters in Map C Divisions (except Lake Huron, Georgian Bay and the North Channel): five (5) salmon and trout combined in one day.
- Lake Huron, Georgian Bay (excluding Big Sound), and the North Channel (Divs. 2, 16 & 17): five (5) salmon and trout, but not more than three (3) may be Lake Trout, Splake, and Brook Trout combined.
- Big Sound of Parry Sound (Div. 16): five (5) salmon and trout, but not more than two (2) may be Lake Trout, Splake, and Backcross Hybrid combined.

B. Catch and Possession Limits for Individual Species of Salmon and Trout **(Subject to Combined Species Limits in Part A)**

Brook Trout

Five (5) in one day, except those waters below:

- Lake Huron, North Channel, and Georgian Bay (Divs. 2, 16, & 17): three (3) in one day.
- Stringer, Scott, Little Crooked Lakes (Div. 13): two (2) in one day.
- Harry, Rence, Welcome and Animoosh Lakes (Div. 13): two (2) in one day; minimum length of 36cm (14 in.).
- Westward Lake (Div. 13): two (2) in one day; minimum length of 46cm (18 in.).

Brown Trout

Five (5) in one day.

Rainbow Trout

Five (5) in one day.

Lake Trout

Three (3) in one day, except those waters below:

- Divs. 12, 13, 15 & 27: two (2) in one day.
- Smoke, Canoe, Tea, Bonita, Two Rivers, Whitefish and Rock Lakes (Div. 13): two (2) in one day; legal size under 40cm (16 in.) and over 56cm (22 in.).
- Waters of Big Sound of Parry Sound Harbour (Georgian Bay) (Div. 16): two (2) in one day. Please contact the Parry Sound MNR office for a more detailed description of this area.

Splake

Five (5) in one day, except those waters below:

- Lake Huron, North Channel, and Georgian Bay (Divs. 2, 16 & 17): three (3) in one day.
- Waters of Big Sound of Parry Sound Harbour (Georgian Bay) (Div. 16): two (2) in one day. Please contact the Parry Sound MNR office for a more detailed description of this area.

Pacific Salmon

Five (5) in one day.

Atlantic Salmon

One (1) in one day.

FISH SANCTUARIES – MAP C

The dates indicate a period when fishing is NOT allowed. All dates are inclusive. Check with the local MNR office for a more detailed description.

Division 13

Chipmunk Lake – Preston Twp.: closed all year.

Crystal Lake – Lawrence Twp.: closed all year.

Little Mykiss Lake – Preston Twp.: closed all year.

Mykiss Lake – Preston Twp.: closed all year.

Presto Lake – Preston Twp.: closed all year.

Rumley Lake – Preston Twp.: closed all year.

Shallnot Lake – Clancy Twp.: closed all year.

Division 15

Blackstone Lake and Creek – Lots 12, 13, 14 in Conc. XII, Conger Twp.: Apr. 1 - May 14.

Blackstone River and Harbour – Archipelago Twp., Lot 37, Conc. V: Apr. 16 - May 31.

Bonnechere River and the expansions being Sicards, Square, Wilson and Kranz Bays and Griffins Narrows – North Algona, Hagarty and Richards Twps.: Mar. 5 (1st Sat.) - May 20 (Fri. preceding 3rd Sat.).

Boulter Lake – McClure Twp.: Oct. 1 - Dec. 31.

Burnt River – Dysart Twp.; between County Road No. 3 and Blue Hawk Lake: Apr. 1 - May 20 (Fri. preceding 3rd Sat.).

Cashman Creek – From the first bridge upstream from Sand Lake to the Proudfoot - Bethune Twp. boundary: Apr. 1 - May 31.

Chartier Lake, parts of Pickerel River and Kimikong River – Lots 13 to 19, Conc. I and II, East Mills Twp.: Mar. 16 - May 20 (Fri. preceding 3rd Sat.).

Dan, Horse, McKeown, Three Island Lakes (Lat. 45°10'N, Long. 78°53'W) – Ridout Twp.: Jan. 1 - Apr. 29 (Fri. preceding last Sat.) & Oct. 1 - Dec. 31.

Dobbs Lake and part of Little Pickerel River – Lots 1, 2, Conc. IV in Pringle Twp. and Lots 1, 2, 3, Conc. IV in East Mills Twp.: Mar. 16 - May 20 (Fri. preceding 3rd Sat.).

Drag River – Dysart Twp. and Village of Haliburton, between Bailey's Dam and Head Lake: Apr. 1 - May 14 (Fri. preceding 3rd Sat.).

Drag Lake – Dudley and Dysart Twps.: Jan. 1 - May 20 (Fri. preceding 3rd Sat.) & Oct. 1 - Dec. 31.

Drizzle, Hay and Lower Hay Lakes, and Otter Creek – Sabine Twp.: Jan. 1 - Apr. 29 (Fri. preceding last Sat.) & Oct. 1 - Dec. 31.

Fishtail Lake – Harcourt Twp.: Jan. 1 - May 20 (Fri. preceding 3rd Sat.) & Oct. 1 - Dec. 31.

Gartersnake River – Town of Gravenhurst, Ryde Twp., Lot 20, Conc. IX: Apr. 1 - May 20 (Fri. preceding 3rd Sat.).

Hansons Creek – McNab Twp.: Mar. 5 (1st Sat.) - May 20 (Fri. preceding 3rd Sat.).

Joly Creek (Inlet Creek) – From Bernard Lake upstream to Strong-Joly Twp. boundary: Apr. 1 - May 31.

Kahshe River – Town of Gravenhurst, Morrison Twp., Lot 27, Conc. V: Apr. 1 - May 20 (Fri. preceding 3rd Sat.).

Kimball Lake – Livingstone Twp.: Jan. 1 - May 20 (Fri. preceding 3rd Sat.) & Oct. 1 - Dec. 31.

Lake Joseph and Little Lake Joseph – Humphrey and Medora Twps.: Jan. 1 - Feb. 14.

Lohi Lake – Broder Twp.: closed all year.

Madawaska River; Bagot Twp.; Lots 17 & 18, Concs. IX and X: Mar. 5 (1st Sat.) - May 20 (Fri. preceding 3rd Sat.).

Madawaska River – From Mountain Chute Hydro Dam to Lots 17-20, Conc. IX, Brougham and N. Canonto Twps.: Mar. 5 (1st Sat.) - May 20 (Fri. preceding 3rd Sat.).

Madawaska River, Calabogie Lake, and inflowing streams – Bagot and Blithfield Twps., west of line from Nettleton's Bay to Barrett's Point: Mar. 5 (1st Sat.) - May 20 (Fri. preceding 3rd Sat.).

Madawaska River – Stewartville Hydro Dam, McNab Twp.: Mar. 5 (1st Sat.) - May 20 (Fri. preceding 3rd Sat.).

Madawaska River – Griffith and Matawatchan Twps.: Mar. 5 (1st Sat.) - May 20 (Fri. preceding 3rd Sat.).

Madawaska River – Between the Arnprior Generating Station and Ottawa River: Mar. 5 (1st Sat.) - May 20 (Fri. preceding 3rd Sat.).

Madawaska River – From the bridge on Hwy. 62 at Combermere south to the bridge crossing at Madawaska River at Lot 24, Con. XVIII, Raglan Twp. on Hwy. 515: Mar. 5 (1st Sat.) to May 20 (Fri. preceding the 3rd Sat.).

Magnetawan River – Village of Magnetawan, Chapman Twp.: Apr. 26 - May 31.

Memesagamesing Lake and part of Rainy Creek – Lots 22, 23, 24, 25, Conc. VII, Hardy Twp.: Mar. 16 - May 20 (Fri. preceding 3rd Sat.).

Middle Lake – Broder Twp.: closed all year.

Miskokway (Simikoka) Lake – Burton and Harrison Twps.: Jan. 1 - May 20 (Fri. preceding 3rd Sat.).

Moon River – Lots 33, 34, 35, 36 in Concs. VIII, IX and X, Freeman Twp.: Apr. 16 - May 31.

Nogies Creek – Galway and Harvey Twps., from Bass Lake Dam to Nogies Creek Dam: closed all year.

North Magnetawan River – Armour, Proudfoot and Strong Twps., the bridge between Lots 30 and 31 in Strong Twp. to Pickerel Lake: Apr. 1 - May 20 (Fri. preceding 3rd Sat.).

North Muskoka River – Town of Bracebridge, from Bracebridge Falls dam to the South Muskoka River: Apr. 1 - June 10 (Fri. preceding 2nd Sat.).

Otter Creek – Airy Twp.: Jan. 1 - Apr. 29 (Fri. preceding last Sat.) & Oct. 1 - Dec. 31.

Ox Narrows (Kushog Lake) – Stanhope Twp., 100m (328 ft.) on either side of the bridge on Hwy. 35: Sept. 15 - Nov. 30.

Ramsey Lake – City of Sudbury, McKim and Neelon Twps.: Jan. 1 - Feb. 28 (last day).

Restoule Lake and River – That part in Lot 24, Conc. III and IV, Patterson Twp.: Mar. 1 - May 31.

Satchels Lake – Patterson Twp.: Jan. 1 - May 20 (Fri. preceding 3rd Sat.).

Seguin River – McDougall Twp., Lots 18, 19, 20: Mar. 15 - May 14.

Seguin River – Town of Parry Sound: May 1 - May 31.

Shawanaga River – West of C.P.R. right-of-way, Shawanaga Twp.: Apr. 16 - May 31.

Six Mile Creek (Bennett's Creek) – Muskoka Lakes and Watt Twps., Three Mile Lake to Hwy. 532: Apr. 1 - May 20 (Fri. preceding 3rd Sat.).

Solitaire Lake – Sinclair Twp.: Jan. 1 - May 20 (Fri. preceding 3rd Sat.) & Oct. 1 - Dec. 31.

South Muskoka River – Town of Bracebridge, from South Muskoka Falls to Wellington Street: Apr. 1 - June 10 (Fri. preceding 2nd Sat.).

Spanish River – That part going downstream from Espanola excluding Gagens Pond in Victoria Twp.: Jan. 1 - May 20 (Fri. preceding 3rd Sat.) & Oct. 1 - Dec. 31.

Spanish River – The waters extending from the dam at the E.B. Eddy Co. to the Hwy. 6 bridge, Town of Espanola: closed all year.

Spring Lake (Fowke Lake) – Lount Twp.: Jan. 1 - May 20 (Fri. preceding 3rd Sat.).

Sucker Creek – Wilson Twp.: Apr. 1 - May 14.

Trout Lake – East Burpee Twp.: Jan. 1 - May 20 (Fri. preceding 3rd Sat.).

Wahwashkesh (Deer) Lake – Burton and McKenzie Twps.: Jan. 1 - May 20 (Fri. preceding 3rd Sat.).

Wolf Lake – Nipissing Twp.: Mar. 16 - May 20 (Fri. preceding 3rd Sat.).

York River – Lots 10 and 11, Conc. 1 of Radcliffe Twp., immediately north of the Hamlet of Radcliffe: Mar. 5 (1st Sat.) - May 20 (Fri. preceding 3rd Sat.).

Division 16

Georgian Bay – Near the mouth of 12-Mile Bay, islands 427, 466 and 472; Archipelago Twp.: closed all year.

Georgian Bay – Waters known locally as the Dawson Rock, Grand Bank area in the Territorial District of Manitoulin: closed all year.

Division 17

McGregor Bay (Iroquois Bay) of the North Channel of Lake Huron – Jan. 1 - Apr. 30.
Shallow Bay – Georgian Bay: closed all year.

Division 27

Lake Nipissing – North Himsworth Twp., waters of Lake Nipissing lying east of the east boundary of Lot 9 Con. XXIV and south of a line joining this projection where it meets Lake Nipissing to the northwest tip of Burford Point, and mouth of the Wistiwasung River: Mar. 16 - May 20 (Fri. preceding Victoria Day) & Oct. 1 - Dec. 31.

Lake Nipissing – Iron Island vicinity: Mar. 16 - May 20 (Fri. preceding Victoria Day).

South River – Nipissing Twp., between Lake Nipissing and Hwy. 654: Mar. 16 - May 20 (Fri. preceding Victoria Day) & Oct. 1 - Dec. 31.

HOW TO RELEASE FISH

If you catch a fish that you must – or wish to – release for any reason, follow these rules to help protect the fish:

■ Time is essential. Do not play a fish too long if you plan to release it – it will be too exhausted to recover.

■ In deep water, bring fish up slowly to prevent stress from changes in temperature and pressure.

■ Keep the fish in the water as much as possible. Don't let it flop on sand or rocks. Even a few centimetres of water under a thrashing fish protects it.

■ Handle fish gently. Keep your hands wet. Don't put your fingers in the gills or eye sockets. Don't squeeze small fish – lift them by the lower lip. A net can be helpful – be sure to keep it in the water if possible.

■ Remove hooks quickly with long-nosed pliers. Never tear out hooks. If a hook is deeply caught in the fish, cut the line and leave the hook in. It will do less harm to the fish.

■ If a fish is unconscious, revive it by holding it upright in the water, facing it upstream. Move the fish forward and back so that water runs through the gills (this is a kind of "artificial respiration" for fish!). It may take a few minutes. When the fish begins to struggle, release it.

■ Never release a fish that has been held on a stringer.

Sturgeon River and Lake Nipissing – Between Lake Nipissing and Hwy. 17 Bridge, Springer Twp.: Mar. 16 - May 20 (Fri. preceding Victoria Day) & Oct. 1 - Dec. 31.

Division 28

Blue Jay Creek – Tehkummah Twp.: Mar. 1 - May 13 (Fri. before 2nd Sat.).

Blue Jay Creek – From bridge on Conc. VI in Tehkummah Twp., downstream to the mouth of Blue Jay Creek on Lake Huron: Mar. 1 - May 13 (Fri. before 2nd Sat.) & Sept. 25 - Oct. 31.

Manitou River – Tehkummah Twp.: Mar. 1 - May 13 (Fri. before 2nd Sat.).

Manitou River – from the bridge on the Government Road in Tehkummah Twp. downstream to the mouth of the Manitou River at Michael's Bay of Lake Huron: Mar. 1 - May 13 (Fri. before 2nd Sat.) & Sept. 25 - Oct. 31.

Mindemoya River – From the bridge on Hwy. 551/542 downstream to the bridge on Hwy. 551 (Carnarvon Twp.): Sept. 25 - Oct. 31.

Kagawong River – From the bridge on Hwy. 540 downstream to the bridge on Henry Street in the Village of Kagawong (Billings Twp.): Sept. 25 - Oct. 31.

ACCESS TO PRIVATE PROPERTY

A fishing licence does not give the holder the right to trespass on private property.

Many of Ontario's small trout streams run through private land. According to the *Trespass to Property Act*, the owner of land with a stream owns (and pays taxes on) the stream banks and bottom – and therefore can prohibit access to them. He or she does not, however, own the water or the fish.

On larger streams, the property owner's rights may extend to the centre line of the stream or to the high water mark on the bank. The exact limits will be shown on the property deed in Registrar's Office.

If a stream is large enough to navigate, it is usually obvious whether or not public access is allowed; chances are the public has been using any allowable streams for years.

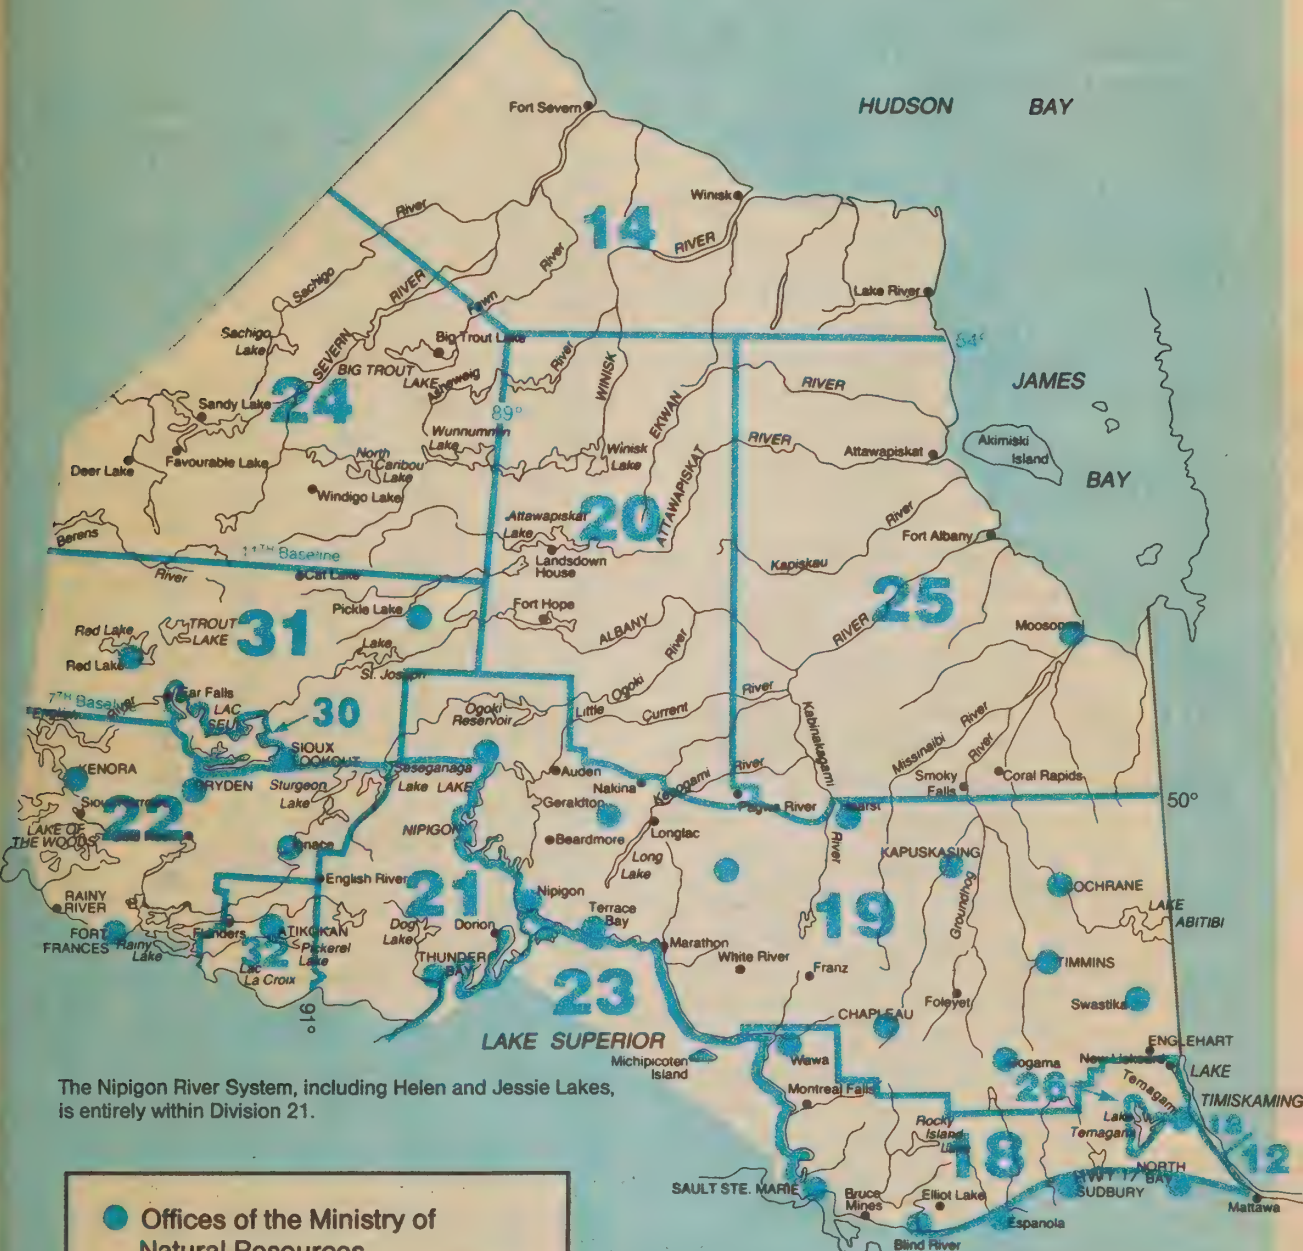

Indian Reserves

Non-Indians may fish on Indian Reserves only with the permission of the Band Council. This is true even for non-Indians who live on reserves.

MAP D

(INCLUDES DIVISIONS 12, 14, 19, 20, 21, 22, 23, 24, 25, 26, 30, 31 AND 32)

Determine what division you will be fishing in and then consult the open season and catch limit guides following

The Nipigon River System, including Helen and Jessie Lakes, is entirely within Division 21.

Ontario Portion of Ottawa River is in Division 12.

Ontario Portion of Lake Timiskaming is in Division 18.

OPEN SEASON GUIDE – MAP D

ALL DATES INCLUSIVE • Indicates open season

Please see *exceptions* to the Open Season on the pages following this Guide.

SPECIES	OPEN SEASON	DIVISION														
		12	14	18	19	20	21	22	23	24	25	26	30	31	32

EXCEPTIONS TO THE OPEN SEASON GUIDE – MAP D

Northern Pike

- Lake Timiskaming (Div. 18): Jan. 1 - Mar. 31 & May 21 (3rd Sat.) - Dec. 31.
- Guilfoyle and Douglas Lakes (Div. 19) (Guilfoyle Twp.): Jan. 1 - Mar. 14 & June 15 - Dec. 31.
- Clarice, Labyrinth and Raven Lakes, including Waterhen Creek downstream of the Access Road Bridge (Div. 19): Jan. 1 - Apr. 15 & May 20 (3rd Fri.) - Dec. 31.
- Davis, East Ford, Elkhorn, Ford, Hubert, Margaret, McTavish, Victoria and Wildgoose Lakes (Div. 19): closed all year.
- Lac des Mille Lacs (Div. 21): Jan. 1 - Apr. 13 & May 14 (2nd Sat.) - Dec. 31.
- Eagle Lake (49°42'N., 93°13'W.) (Div. 22): Jan. 1 - Apr. 14 & May 21 (3rd Sat.) - Dec. 31, during daylight hours only.
- Rice River (Twin Flower Creek System), Hidden, Duck, Minnitaki, Abram, Pelican, and Botsford Lakes and connecting waters (Div. 22): Jan. 1 - Apr. 14 & May 21 (3rd Sat.) - Dec. 31.

Walleye

- Waters in Schembri, Scriven, Way-White, Wlasy, Bracci, and Tupper Twps. (Div. 18): Feb. 15 - Mar. 15 & May 21 (3rd Sat.) - Sept. 30.
- Kaibuskong River (Div. 18) from Sheedy Lake to Kaibuskong Bay: January 1 - Mar. 15 & May 21 (3rd Sat.) - December 31.
- Sharpes Creek (Div. 18) from Hwy. 17 to Kaibuskong Bay: January 1 - Mar. 15 & May 21 (3rd Sat.) - December 31.
- Vermilion River and Vermilion Lake, between the Hwy. 144 bridge and Hwy. 17 in the Town of Walden (Div. 18): Jan. 1 - Mar. 31 & May 21 (3rd Sat.) - Dec. 31.
- Wanapitei River between northernmost bailey bridge to Lake Wanapitei (Div. 18): Jan. 1. - Mar. 31 & May 21 (3rd Sat.) - Dec. 31.
- Devious Lake (Div. 19): closed all year.
- Georgia Lake (Div. 19): closed all year.
- Obakamiga River (Div. 19) lying between Nagagami Lake and uppermost part of Sagi Rapids: Jan. 1 - Mar. 31 & June 15 - Dec. 31.
- Woolley, Victoria, McTavish, Mist and Lauramay Lakes (Div. 19): closed all year.

- Bicotasi Lake (Div. 19) from the CPR Hogsback Channel Trestle (Lillie TWP.) to the main CPR Trestle (Margaret Twp.): Jan. 1 - Mar. 31 & June 15 - Dec. 31.
- Biscotasi Lake (Div. 19) from Ramsey Dam extending downstream 500m: Jan. 1 - Mar. 31 & June 15 - Dec. 31.
- Porcupine (Whitney Twp.), Geikie (Geikie Twp.), Parting (Semple Twp.), Round (Cote Twp.), Davis, Eastford, Elkhorn, Round (Rickard Twp.), Ford, Hubert, Margaret (Skead and Bayly Twps.), and Wildgoose Lakes (McCann Twp.), Telluride (Beemer Twp.), McPhail, Timmnachie (Michie Twp.) Musgroce (Musgrove Twp.), Levalley (Whiteside Twp.) and unnamed lakes in Semple Twp. known as Lake Nos. 29, 36,79, and 81. (Div. 19): closed all year.
- Guilfoyle and Douglas Lakes (Div. 19) (Guilfoyle Twp.): Jan. 1 - Mar. 14 & June 15 - Dec. 31.
- Chukuni River, Hoyles Bay of Red Lake, Golden Creek, East Bay of Red Lake, Parker Creek, Ranger Creek, Gullrock Lake and Bruce Lake (Div. 19): Jan. 1 - Apr. 14 & June 1 - Dec. 31.
- Alph and Wababimiga (Div. 20): closed all year.
- Cowan Lake (Div. 21): closed all year.
- Oskawe Lake (Div. 21): closed all year.
- Winnipeg River system (Div. 22): Jan. 1 - Mar. 14 & May 21 (3rd Sat.) - Dec. 31.
- Agimak River (Div. 22) from the Ontario Hydro line downstream to where it enters Indian Lake (Gour Twp.): Jan. 1 - Apr. 14 & June 15 - Dec. 31.
- Eagle Lake (49°42'N., 93°13'W.) (Div. 22): Jan. 1 - Apr. 14 & May 21 (Sat. following 3rd Fri.) - Dec. 31, during daylight hours only.
- Nugget Creek, Thunder Creek, Wabigoon Lake, Wabigoon River, Puzzle Bay of Ord Lake, Perrault Falls and Wabaskang Lake (Div. 22): Jan. 1 - Mar. 31 & June 1 - Dec. 31.
- Part of Eagle Lake (Bear Narrows, Muskeg Bay, Meridian Bay and Violet Lake (Div. 22): Jan. 1 - Mar. 31, June 1 - Aug. 31 (during daylight hours only) & Sept. 1 - Dec. 31.
- Salvesen Lake (Div. 22): Jan. 1 - Feb. 28 (last day) & May 21 (3rd Sat.) - Dec. 31.
- Bewag, Crowrock, Dashwa, Dovetail, Eye and Turtle Lakes (Div. 32): closed all year.
- Snow (outflow), Icy, Abie Lakes and Marmion Lake known as the "Circuit Lakes" (Div. 32): Jan. 1 - Mar. 14 & May 21 (3rd Sat) - Dec.31.

➤ Certain waters in Div. 31 are closed on Dec. 25. Please contact the local MNR Office for more information.

Sauger

➤ Eagle Lake (49°42'N., 93°13'W.) (Div. 22): Jan. 1 - Apr. 14 & May 21 (3rd Sat.) - Dec. 31, during daylight hours only.

Walleye & Sauger

➤ Lake Timiskaming (Div. 18): Jan. 1 - Mar. 31 & May 21 (3rd Sat.) - Dec. 31.

➤ Magpie River (Mission falls to Lake Superior, Polly Lake, and Jackfish River between Nipigon Bay and the First Barrier (Div. 19): closed all year), Michipicoten River (Scott Falls to Lake Superior), Goulais River (Whiteman Dam to Lake Superior), and Montreal River (first Great Lakes Power Dam to Lake Superior) (Div. 18): Jan. 1 - Apr. 14 & July 1 - Dec. 31.

➤ Clarice, Labyrinth and Raven Lakes, including Waterhen Creek downstream of the Access Road Bridge (Div. 19): Jan. 1 to Apr. 15 & May 20 (3rd Fri.) to Dec. 31.

➤ Nipigon River between Alexander Falls Dam and Nipigon Bay, and Helen Lake (Div. 21): closed all year.

➤ Shoal Lake (Div. 22): closed all year.

➤ Nipigon Bay of Lake Superior (Div. 23): closed all year.

Smallmouth Bass

➤ Cordingley Lake (Div. 19): Jan. 1 - Mar. 31 & July 9 (2nd Sat.) - Dec. 31.

Smallmouth and Largemouth Bass

➤ Clarice, Labyrinth and Raven Lakes, including Waterhen Creek downstream of the Access Road Bridge (Div. 19): Jan. 1 - Mar. 31 & June 17 (Fri. after Thur. closest to June 14) - Dec. 31.

➤ Eagle Lake (49°42'N., 93°13'W.) (Div. 22): open all year, during daylight hours only.

Muskellunge

➤ Eagle Lake (49°42'N., 93°13'W.) (Div. 22): June 18 (3rd Sat.) - Nov. 30, during daylight hours only.

Brook Trout

➤ McGovern, Pancake, and Gong Lakes (Div. 18): Feb. 15 - Mar. 15 & May 21 (3rd Sat.) - Sept. 30.

➤ Waters in Schembri, Scriven, Way-White, Wlasy, Bracci, Tupper Twps. (Div. 18): Feb. 15 - Mar. 15 & May 21 (3rd Sat.) - Sept. 30.

➤ Macutagon Ponds (Div. 19): May 2 - Sept. 14.

➤ Albany River from Achapi Lake to the Albany Forks (51°06'N., 84°30'W.) (Divs. 20, 25, & 31): Jan. 1 - Aug. 31.

➤ Adrian, Aldina, Birch, Cavern, Chub, Fall, McKecknie, Morrison, Pocket, Scott, Penassen #1-4 and Shale Lakes (Div. 21): Apr. 30 (last Sat.) - Sept. 15.

➤ Unnamed Lake (48°41'N., 88°55'W.) southwest of Fitzpatrick Lake, Beck, Kallio, Liver and Young Lakes (Div. 21): Apr. 30 (last Sat.) - Sept. 15.

➤ Nipigon River (Div. 21), below the Alexander Dam east of a line drawn south from the Alexander Dam log chute to the northern most tip of the point of land to the east shore of Nipigon River: May 16 - Sept. 16.

➤ Highway, Nylas, and Snyder Lakes (Div. 22): open all year except Dec. 24.

➤ Larger Unnamed Lake (50°19'N., 91°21'W.), Little Moose Lake, Unnamed lake (51°38'N., 89°55'W.) (Div. 31): open all year except Dec. 24.

Note:

Divs. 18, 19, 20, 22 & 31: Some waters have year round open season on Brook Trout. These waters are listed in the Ontario Fishery Regulations. Please contact the local MNR office for more information.

Brook Trout and Brown Trout

➤ Eagle Lake (49°42'N., 93°13'W.) (Div. 22): Jan. 1 - Sept. 15, during daylight hours only.

Brook Trout and Splake

➤ Hartley, Hilder, Icicle, Kawesaqua, Boobas, Unnamed Lake (E-11), Hob, Middleton, Mile 30, Post, Carlson, Leana, Balancing and Tricorn Lakes (Div. 19): open all year except Dec. 24.

➤ Johnny Lake and Lake E-206 (Div. 20): open all year except Dec. 24.

➤ Certain waters in Divs. 19, 20 and 25 are closed for Brook Trout or Splake on Dec. 24. Contact the local MNR office for details.

Lake Trout

➤ McGovern, Pancake, and Gong Lakes (Div. 18): Feb. 15 - Mar. 15 & May 21 (3rd Sat.) - Sept. 30.

➤ Waters in Schembri, Scriven, Way-White, Wlasy, Bracci, and Tupper Twps. (Div. 18): Feb. 15 - Mar. 15 & May 21 (3rd Sat.) - Sept. 30.

➤ Laundrie and Michaud Lakes (Div. 18): closed all year.

➤ Trout Lake in the city of North Bay (Div. 18): closed all year.

➤ Clarice, Labyrinth and Raven Lakes, including Waterhen Creek downstream of the Access Road Bridge (Div. 19): Feb. 15 - Mar. 15 & May 20 (3rd Fri.) - Sept. 14.

➤ Perry, Trollope, Watabeag, Ferrier, Muska-senda, Crystal (Lebel Twp.), Currie, Isabel, Larder, Matachewan, Midlothian, Miller, Mousseau,

Nettie, Radisson, Shillington, St. Anthony, Elmer, Galer, Lulu, Stock, Wendigo, Long and Sunny Lakes (Div. 19): Feb. 15 - Mar. 15 & May 21 (3rd Sat.) - Sept. 30.

➤ Tukannee, Troupe, Blacktrout, Dog, McMurty, Dayohessarah and Little Dayohessarah Lakes (Div. 19): Feb. 15 - Mar. 15 & May 21 (3rd Fri.) - Sept. 30.

➤ McLeod Lake (Div. 19): closed all year

➤ Clearwater Bay and Echo Bay of Lake of the Woods and Cul de Sac Lake (Div. 22): May 21 (3rd Sat.) - Sept. 30.

➤ High Lake (Div. 22): open all year.

➤ Lakes #20 (49°07'N., 92°08'W.), #26 (49°07'N., 92°08'W.), #39 (49°05'N., 92°10'W.) and #42 (49°05'N., 92°09'W.) (Div. 32): closed all year.

➤ Certain waters in Div. 22 are closed all year. Please check with local MNR Office for more information.

Lake Trout and Splake

➤ Blue Lake (Div. 18) (McAuslan Twp.): May 1 - Sept. 30.

➤ Bellows Lake (Div. 18): Jan. 1-Sept. 30.

➤ Black Sturgeon Lake and sections of the Spruce River and Muskrat River (Div. 21): closed all year.

➤ Spruce and Muskrat Rivers (Div. 21): closed all year.

➤ Eagle Lake (49°42'N., 93°13'W.) (Div. 22): Jan. 1 - Sept. 30, during daylight hours only.

Splake

➤ An unnamed lake known locally as Lake XF17-11 (50°19'N., 91°20'W.) (Div. 20): Jan. 1 - Dec. 24 & Dec. 26 - Dec. 31.

➤ Arpin Lake (Div. 22): Jan. 1 - Dec. 24 & Dec. 26 - Dec. 31.

➤ Certain waters in Div. 22 are closed all year. Please check with local MNR Office for more information.

Aurora Trout

➤ Nayowin Lake (47°47'N., 81°23'W.), Pallet Lake (48°16'N., 80°39'W.), Big Club Lake (48°28'N., 80°48'W.) (Div. 19): open Aug. 1 - Sept. 30. All other waters, including Wynn, Carol, Reed and Semple #54 Lakes (Div. 19) are closed all year

Pacific Salmon

➤ Waters in Divisions on Map D: open all year, except closed Dec. 25 in Div. 23.

➤ Eagle Lake (49°42'N., 93°13'W.) (Div. 22): open all year, during daylight hours only.

Atlantic Salmon

➤ Eagle Lake (Div. 22): Jan. 1 - Oct. 10, during daylight hours only.

➤ Trout Lake (Div. 18): May 1 - Oct. 10.

Sturgeon

➤ Groundhog River (Div. 19): Jan. 1 - Apr. 30 & July 16 - Dec. 31.

➤ Eagle Lake (49°42'N., 93°13'W.) (Div. 22): Jan. 1 - May 14 & June 30 - Dec. 31, during daylight hours only.

Crappies, Rainbow Trout, Yellow Perch and Whitefish

➤ Eagle Lake (49°42'N., 93°13'W.) (Div. 22): open all year, during daylight hours only.

All Species

➤ Unless otherwise stated, fishing is closed for all species in Divs. 19 to 25 & 30 to 32 on Dec. 24.

➤ Fishing for all species is closed all year in 15 lakes in a Department of Fisheries and Oceans Experimental Lakes area in the southwestern corner of Dryden District (Div. 22) (locally known as the Pine Road Area). Please contact the Dryden MNR office for more details.

➤ Lake Superior (Div. 23): There is a one-day closure (Dec. 24) on all species of fish in Div. 23, except Lake Trout, Splake, Walleye (excluding part of Nipigon Bay), and Sauger which have longer closed seasons.

Note:

■ Use of Fish for Bait Restricted

Use of live fish for bait is not allowed in all waters of Divs. 14 & 24, and also in some waters of Divs. 15, 18, 19, 20, 21, & 22. Use of any fish or fish parts for bait is prohibited in Clearwater Bay, Cul de Sac Bay, Echo Bay and Whitefish Bay of Lake of the Woods and Dryberry Lake (Div. 22). Refer to page 7 for details or contact the local District or Area Office.

■ Barbless Hooks (also see page 5).

- In Div. 14 sport fishers are permitted to possess and use only single-pointed barbless hooks. A line may only have one single-pointed barbless hook attached to it.

- Clearwater Bay and Echo Bay of Lake of the Woods and Cul de Sac Lake (Div. 22): barbless hook restrictions apply.

- Arrow River (Div. 21).

- Maskinonge, Cloudlet and Hooch Lakes (Div. 22)

- All waters within boundaries of Hwy. 17 on the north, the west shores of Eagle and Teggau Lakes on the east, Highwind Lake Road, and junction of Hwys. 17 and 71 including Winnange, Hawk, Dogtooth and Highwind Lakes (Div. 22).

- Whitefish Bay of Lake of the Woods including the following bays: Regina, Snake, Boot, Ghost, Brule, Devils, Atikaminke, Camp, Cloverleaf, Log, Reedy, Willow, Sammons and the following inlets: Knickerbocker, Louis, Cross and Alfred and Dryberry Lake including Northwest Bay, Point Bay and Point Lake (Div. 22).

■ Waters in which only Artificial Flies may be used (also see page 5):

- Div. 18: East Goulais River from Laughing Lake (Menard Twp.) to the Goulais River and Garden River from Ranger Lake to Garden Lake.
- Div. 18: Little Jocko River from Hwy. 63 to the confluence with the Jocko River.
- Arrow River between the dam on Arrow Lake (Hardwick Twp.) and the Robbins/Hartington Township line (Div. 21).

■ Artificial lures (see page 5).

■ Ice fishing (also see page 6)

When angling through the ice five (5) lines per person are allowed on Labyrinth Lake, or in Waterhen Creek downstream of Access Road Bridge.

■ Border Waters (also see page 3):

- A sport fisher may have either an Ontario licence or a Manitoba licence to fish in Moar Lake (Div. 24) and High Lake (Div. 22).
- A sport fisher may have either an Ontario Resident licence or a Quebec Resident licence to fish in Div. 12 and Lake Timiskaming (Div. 18).

STANDARD CATCH, POSSESSION AND SIZE LIMITS – MAP D

(For Conservation Licence Limits, please see page 3.)

Northern Pike

Catch limit: Six (6) in one day.

Catch and Size limits:

- Div. 20: six (6) in one day, not more than one (1) greater than 80cm (31.5 in.) in length.
- Kesagami and Edgar Lakes (Div. 25): two (2) in one day, not more than one (1) greater than 71cm (27.9 in.) in length.
- Kinniwabi Lake (Div. 18): two (2) in one day, not more than one (1) greater than 70cm (27.5 in.) in length, and not more than one (1) less than 70cm (27.5 in.) in length.
- Divs. 22, 24, 30, 31 & 32: six (6) in one day, not more than one (1) greater than 70cm (27.5 in.) in length. Except for –

Maskinonge, Hooch and Cloudlet Lakes and all connecting waterways: zero (0) catch and release only.

Walleye (Yellow Pickerel) only

Catch and Size limits:

- Waters in Schembri, Scriven, Way-White, Wlasy, Bracci and Tupper Twps. (Div. 18): three (3) in one day.
- Indian Lake, the waters of Tasker Creek situated at approximate latitude 47°03'N., 82°09'W. (div. 18) and abney, Biscotasi, First, Houghton,

Indian, Lost, Mack, Mishap, Ramsey, Skelton, Soule, Swallow and Zac Lakes and all connecting waters (Div. 19): Six (6) in one day, none of which may be between 40cm (15.7 in.) and 50cm (19.7 in.) inclusive.

- Picnic, Upper Lola, Bare Tent, Hawk and Rennie Lakes, waters of Obatanga Provincial Park (Div. 19): two (2) in one day, not more than one (1) greater than 40cm (16 in.) in length and not more than one (1) less than 40cm (16 in.) in length.

- White, Ravine, Esnagi, Oba, Dog, Murray and McMurty Lakes (Div. 19): under 36cm (14.2 in.) and over 43cm (17 in.) in length.

- Wabatongushi Lake (Div. 19): under 34cm (13.4 in.) and over 41cm (16 in.) in length.

- Tweed, George and Upper Kesagami Lakes (Div. 19): under 43cm (16.9 in.) and over 60cm (23.6 in.).

- Saganaga Lake in (Div. 21): six (6) in one day, not more than one (1) greater than 50cm (19.7 in.) in length.

- Rice River (Twin Flower Creek System), Minnitaki, Abram, Pelican, Hidden, Duck and Botsford Lakes and all connecting waterways (Div. 22): six (6) in one day, none of which may be between 46cm (18 in.) and 53cm (20.9 in.) and only one (1) of which may be greater than 53cm (20.9 in.).

- Eagle Lake (Div. 22): under 48cm (18.9 in.) and one over 58cm (22.5 in.).

- Waters within boundaries of Hwy. 17 on the north, west shore of Eagle and Teggau Lakes on the east, Highwind Lake Road and junction of Hwys. 17 and 71 including Winnange, Hawk, Dogtooth and Highwind Lakes (Div. 22): six (6) in one day, not more than one (1) greater than 65cm (25.6 in.). Legal size: under 50cm (20 in.) and over 65cm (25.6 in.).

- Divs. 22, 24, 31 and 32: six (6) in one day, not more than one (1) greater than 50 cm (19.7 in.) in length.

- Crotch Lake (Div. 29): under 46cm (18 in.) and over 61cm (24 in.).

- Lac Seul and connecting waters (Div. 30): legal size under 46cm (18 in.) and one fish over 53cm (20.9 in.).

Walleye (Yellow Pickerel), Sauger or any combination thereof

Catch limit: Six (6) in one day, except in those waters below:

- Div. 18: Magpie River, from Mission Falls to Lake Superior; Michipicoten River, from Scott Falls to Lake Superior; Goulais River from Whitman Dam to Lake Superior; and Montreal River, from the first Great Lakes Power Dam to Lake Superior: three (3) in one day.

- Div. 23: three (3) in one day.

Largemouth and Smallmouth Bass or any combination thereof

Catch limit: Six (6) in one day, except –

- Maskinonge, Hooch and Cloudlet Lakes and all connecting waterways (Div. 22): zero (0), catch and release only.

Muskellunge

Catch limit: One (1) per day except those waters listed in size limit restrictions, and

- Lac Seul and connecting waters (Div. 30): zero (0), catch and release only.
- Maskinonge, Hooch and Cloudlet Lakes and all connecting waterways (Div. 22): zero (0), catch and release only.

Possession Limit: Two (2).

Size limit:

Waters in Div. 22: minimum length is 102cm (40 in.) except –

- Lake of the Woods including all waters of Cul de Sac, Obabikon, Shoal and Squaw Lakes; Rainy River from dam in Fort Frances to Lake of the Woods; Dryberry, Kakagi and Rowan Lakes; Winnipeg River from Norman Dam to Whitedog Dam including Big Sand, Gunn, Little Sand and Lost Lakes; MacFarlane River to Ena Lake Dam; Middle, Muriel, Pistol, Roughrock and Eagle Lakes (Div. 22); minimum length is 122cm (48 in.).
- Wabigoon, Dinorwic, Butler, Mile, Trap, Larson, Paulson, Olsen, Rock and Minnehaha Lakes (Div. 22); minimum length is 132cm (52 in.).
- Armstrong, Beach, Caution, Cross, Cliff, Doggie, East, Horn (Patrick), John, Kekekwa, Kilgour, Langton (Corner), Muskie (Kirkup), North-west Mountain, Unnamed (49°56'N., 94°18'W.), Unnamed (49°57'N., 94°19'W.), Unnamed (50°00'N., 93°58'W.), Unnamed lake (50°02'N., 93°52'W.), Unnamed (50°07'N., 93°56'W.), Unnamed (49°58'N., 94°16'W.), Unnamed (Mary's or Norman's) (50°02'N., 93°57'W.), Unnamed (Plum) (49°47'N., 94°14'W.), Unnamed (Ronny) (49°58'N., 94°16'W.), Unnamed (Terrier) (50°05'N., 93°56'W.), Indian Lake Chain including Alexandra (Indian), Big Moose, Cobble, Edward, Forest, Little Moose and Whitney Lakes: minimum length is 86cm (34 in.).
- All other waters in Map D: minimum length is 86cm (34 in.)

Sturgeon

Catch limit: One (1) in one day.

Size limit: Div. 21 & 22: minimum length of 114cm (45 in.)

Whitefish

Catch limit: Twenty-five (25) in one day.

Perch

Catch limit: No limit except –

- Marshall Lake, Ara Lake, Meta Lake (Div. 20): twenty-five (25) in one day.

Possession limit: No limit except for –

- Marshall Lake, Ara Lake, Meta Lake (Div. 20): twenty-five (25) in one day.

Crappies

Catch limit:

- Divs. 12 & 22: thirty (30) in one day.

Salmon and Trout

(see Definitions on page 13)

If you are fishing for one species of salmon or trout refer to Part B: "Catch and Possession Limits for Individual Species of Salmon and Trout". If you are fishing for more than one species of salmon or trout refer to both Part A and Part B.

A. Catch and Possession Limits for Salmon and Trout COMBINED

(Not exceeding Individual Species Limits listed in Part B)

- All waters in Map D Divisions (except Lake Superior): five (5) salmon and trout combined in one day, not exceeding the individual species limits.
- Lake Superior: Div. 23: five (5) salmon and trout, but not more than three (3) may be Lake Trout, Splake, and Brook Trout combined.

B. Catch and Possession Limits for Individual Species of Salmon and Trout

(Subject to Combined Species Limits in Part A)

Brook Trout

Five (5) in one day, except those waters below:

- West of west bank of Kabinakagami River and west of east bank of that part of Nagagami River lying north of where the two rivers join (Div. 19): Seven (7) in one day.
- Lake Nipigon, Forgan and Polly Lakes (Div. 19): two (2) in one day; minimum length of 46cm (18 in.).
- Nipigon River, Jessie and Helen Lakes (Div. 21): two (2) in one day; minimum length of 46cm (18 in.).
- Div. 23: three (3) in one day.
- Albany River, from Achapi Lake to the Albany Forks (51°06'N., 84°30'W.) (Divs. 20, 25, 31): two (2) in one day; minimum length of 51cm (20 in.).
- Div. 14: five (5) in one day, not more than one (1) greater than 40cm (16 in.) in length.
- Oakley and Maquon (Div. 18): Two in one day, not more than one (1) greater than 40cm (15.7 in.) and one less than 40cm (15.7 in.).

- McGovern, Pancake, Gong, Oakley and Maquon Lakes (Div. 18): two (2) in one day, not more than one (1) greater than 40cm (16 in.) in length.
- Div. 20: five (5) in one day, not more than two (2) greater than 40cm (16 in.) in length.
- Paint, Newcombe, One Island and Rock Lakes, Kabinakagami River and all other waters in the townships of Broughton, Atkinson, Cooper, Doucette, Nameigos and Mosambik (Div. 19): two (2) in one day, not more than one (1) greater than 40cm (16 in.) in length and not more than one (1) less than 40cm (16 in.) in length.

Brown Trout

Five (5) in one day.

Rainbow Trout

Five (5) in one day.

Lake Trout

Three (3) in one day, except those waters below:

- Divs. 12, 15 & 22 (except Sturgeon and Clearwater Bay), 24, 30, 31: two (2) in one day.
- Waters in Schembri, Scriven, Way-White, Wlasy, Bracci and Tupper Twps. (Div. 18): two (2) in one day.
- Sun, Yucca, Little Pic and Grehan Lakes (Div. 19); and Faircloth and Merpaw Lakes (Div. 20): one (1) in one day from all these lakes combined.
- McGovern, Pancake and Gong Lakes (Div. 18): two (2) in one day, not more than one (1) greater than 40cm (16 in.) in length.
- McKay, Pagwachuan, Fernow and Charon Lakes (Div. 19); and Esnagami, O'Sullivan, Superb, Opichuan, Luella and Troutfly Lakes and South Lake (Lake I-100) (Div. 20): three (3) in one day, not more than one (1) greater than 56cm (22 in.) in length.
- Sydney Lake (Div. 31): two (2) in one day, not more than one (1) greater than 65cm (25.6 in.) in length.
- Whitefish Bay of Lake of the Woods (Regina, Snake, Boot, Ghost, Brule, Devils, Atikamink, Camp, Cloverleaf, Log, Reedy, Willow and Sammons Bays and Knickerbocker, Louis, Cross, Alfred Inlets), Dryberry Lake (Northwest Bay, Point Bay and Point Lake), Eagle, and Otukamamoan Lakes (Div. 22); and Echoing Lake (Div. 24): catch limit of one (1) in one day from these lakes combined; two (2) in possession, not more than one (1) greater than 65cm (25.6 in.) in length.
- Clearwater and Echo Bays (Lake of the Woods) and Cul de Sac Lake (Div. 22): catch and release only except tag holders. Contact the MNR office in Kenora for details.
- Mijinemungshing Lake (Div. 18): two (2) in one day, not more than one (1) greater than 40cm (16 in.) in length and not more than one (1) less than 40cm (16 in.) in length.

- Tukanee, Troupe, Black Trout, Dog, McMurty, Dayohessarah and Little Dayohessarah Lakes (Div. 19): two (2) in one day, not more than one (1) greater than 40cm (16 in.) in length and not more than one (1) or less than 40cm (16 in.) in length.

Note:

- Div. 22 includes Campus, Dibble, East Campus, Gulliver, Mount, Nora, Roughstone and Silvertip Lakes.
- Div. 32 includes Adele, Elsie and White Otter Lakes.

Splake

Five (5) in one day, except –

- Div. 23: three (3) in one day.

Aurora Trout

Zero (0) in one day, year-round closed season except –

- Big Club, Pallet and Nayowin Lakes (Div. 19): One (1) in one day.

Pacific Salmon

Five (5) in one day.

Atlantic Salmon

One (1) in one day.

FISH SANCTUARIES – MAP D

The dates indicate a period when fishing is NOT allowed. All dates are inclusive. Check with the local MNR office for a more detailed description.

Division 18

All waters in Schembri, Scriven, Way-White, Wlasy, Bracci and Tupper Twps. – Jan. 1 - Feb. 14; Mar. 16 - May 20 (Fri. before 3rd Sat.); Oct. 1 - Dec. 31.

Anima-Nipissing River – Banting Twp. from 100m in an arc extending out into Red Squirrel Lake to a point upstream 400m: Mar. 15 - May 20 (Fri. before 3rd Sat.).

Alton Creek – Peterson Twp. flowing into South Old Woman River: Apr. 15 - June 15.

Badgerow Lake – Badgerow Twp.: Mar. 16 - May 20 (Fri. before 3rd Sat.).

Bar River – MacDonald and Laird Twps.: Apr. 1 - June 15.

Batchawana Lake – Norberg Twp.: closed all year.

Belleau Lake – Tupper Twp.: closed all year.

Bellevue Creek and tributaries – Van Koughnet Twp.: Apr. 15 - June 15.

Bennet Creek and tributaries and Bennet-Davignon Diversion Channel – Korah Twp.: Apr. 15 - June 15.

Big Horseshoe Lake – LeCaron Twp.: Jan. 1 - May 20 (Fri. before 3rd Sat.) & Oct. 1 - Dec. 31.

Blue Lake – McAuslan Twp.: Jan. 1 - Apr. 30 & Oct. 1 - Dec. 31.

Bobowash Lake – Raimbault Twp.: Jan. 1 - May 20 (Fri. before 3rd Sat.) & Oct. 1 - Dec. 31.

Bowland Lake – Howey Twp.: closed all year.

Chiblow Lake – Montgomery, Patton, Scarfe and Juliette Twps.: Jan. 1 - Apr. 29 (Fri. before last Sat.) & Oct. 1 - Dec. 31.

Clay River – Goodwillie Twp.: Apr. 15 - June 15.

Clearwater Lake – Armagh and Belfast Twps.: Jan. 1 - Jan. 31.

Conacher Lake – Shinwaukonce Twp.: Oct. 1 - Feb. 14 & Mar. 16 - Apr. 29 (Fri. before last Sat.)

Cranberry Creek and tributaries – Fenwick and Pennefeather Twps.: Apr. 15 - June 15.

Crazy Creek – Goodwillie Twp.: Apr. 15 - June 15.

Cucumber Lake – MacBeth Twp.: Jan. 1 - Jan. 31.

Cut Lake – McAuslan Twp.: Jan. 1 - Apr. 30 & Oct. 1 - Dec. 31.

Daragh Lake – Shinwaukonce Twp.: Oct. 1 - Feb. 14 & Mar. 16 - Apr. 29 (Fri. before last Sat.)

Denman Lake – Montgomery and Patton Twps.: Jan. 1 - Apr. 29 (Fri. before last Sat.) & Oct. 1 - Dec. 31.

Devlin Creek – Peever Twp.: Apr. 15 - June 15.

Dollyberry Lake – Beange and Raimbault Twps.: Jan. 1 - May 20 (Fri. before 3rd Sat.) & Oct. 1 - Dec. 31.

Downey Creek and tributaries – Tilley Twp. except the portion between centre of Hwy. 17 and Lake Superior shore: Apr. 15 - June 15.

Duchesney Creek – City of North Bay and Commanda Twp., from Lake Nipissing to the C.N.R. bridge: Mar. 16 - May 20 (Fri. before Victoria Day)

Duff Lake – Badgerow Twp.: Mar. 16 - May 20 (Fri. before 3rd Sat.).

Duval Lake – Shivert Twp.: Jan. 1 - Feb. 15 - Mar. 16 - Apr. 29 (Fri. before last Sat.) & Oct. 1 - Dec. 31.

Eaglerock Lake – Scholes Twp.: Jan. 1 - Jan. 31.

East Davignon Creek and tributaries – Korah Twp.: Apr. 15 - June 15.

Emerald Lake – Afton Twp.: Jan. 1 - Jan. 31.

Ezma Lake – Nicholas Twp.: Jan. 1 - May 20 (Fri. before 3rd Sat.) & Oct. 1 - Dec. 31.

Ferrim Creek – Cynthia Twp. from Ferrim Lake to 200m in an arc extending out into Kokoko Lake: Mar. 16 - May 20 (Fri. before 3rd Sat.).

Flack Lake – Raimbault Twp.: Jan. 1 - May 20 (Fri. before 3rd Sat.) & Oct. 1 - Dec. 31.

Forte Creek – Rabazo Twp.: Apr. 15 - June 15.

Four Mile Creek – Widdifield Twp. within Lots 8 and 9 in concession A, B, C, I, and II: closed all year.

Fox Lake – Venturi Twp.: Jan. 1 - Feb. 28 (last day) & Oct. 1 - Dec. 31.

Frater Creek – Labonte and Labelle Twps.: Apr. 15 - June 15.

Fri. Creek – Cassels Twp. including the waters in an arc extending 200m out into Obashkong Lake: Mar. 16 - May 20 (Fri. before 3rd Sat.)

Fullerton (Lanark) Lake – Raimbault Twp.: Jan. 1 - May 20 (Fri. before 3rd Sat.) & Oct. 1 - Dec. 31.

Gibberry Lake – Beange and Raimbault Twps.: Jan. 1 - May 20 (Fri. before 3rd Sat.) & Oct. 1 - Dec. 31.

Government Creek and tributaries – Tupper Twp. except the portion between centre of Hwy. 17 and Lake Superior's shore: May 21 (3rd Sat.) - June 15.

Gull Lake – Scholes, Clement and Phyllis Twps.: Jan. 1 - Jan. 31.

Havilland Creek and tributaries – Havilland Twp.: Apr. 15 - June 15.

Helenbar Lake – Hembruff Twp.: Jan. 1 - Apr. 29 (Fri. before last Sat.) & Oct. 1 - Dec. 31.

Herridge Lake (south end) and Herridge Creek inlet – Strathcona and Law Twps.: Apr. 15 - June 30.

Horner Lake – Shinwaukonce Twp.: Oct. 1 - Feb. 14 & Mar. 16 - Apr. 29 (Fri. before last Sat. in Apr.)

Icewater Creek – La Verendrye Twp.: closed all year.

Indian River – McParland Twp. 300m from confluence with Montreal River: Mar. 15 - June 15.

Jeff Creek – Loach Twp. from confluence with Montreal River to a point 2600m (at top of rapids): Mar. 15 - June 15.

Jimchrist (Christman) Lake – Raimbault Twp.: Jan. 1 - May 20 (Fri. before 3rd Sat.) & Oct. 1 - Dec. 31.

Jones Creek and tributaries – Tilley and Archibald Twps., except the portion between centre of Hwy. 17 and Lake Superior shore: Apr. 15 - June 15.

June Creek – Giles Twp.: Apr. 15 - June 15.

Kaibuskong Bay – in front of Bonfield Twp.: Mar. 16 - May 20 (Fri. before 3rd Sat.)

Kanichee Creek – Strathy Twp., from Kanichee Lake to 200m in an arc extending out into Net Lake: Mar. 16 - May 20 (Fri. before 3rd Sat.)

Kelly Creek and tributaries – Pennefeather Twp.: Apr. 15 - June 15.

Kirk Lake – Le Caron Twp.: Jan. 1 - May 27 (Fri. before last Sat.) & Oct. 1 - Dec. 31.

Kirkpatrick Lake – the rivers and streams of Kirkpatrick Lake extending 0.8 km from the lake and an unnamed stream connecting Robb and Elbow Lakes, Sayer and Le Caron Twps.: May 1 - May 14.

Kirkpatrick Lake (Blue Lake) – Sayer and Le Caron Twp.: Jan. 1 - Feb. 14, Mar. 16 - Apr. 29 (Fri. before last Sat.) & Oct. 1 - Dec. 31.

Kukagami Lake – Davis, Kelly, Rathbun and Scadding Twps.: Jan. 1 - Apr. 29 (Fri. before last Sat.).

Lake No. 3 (47°12'N., 84°35'W.) – Smilsky Twp.: closed all year.

Lake No. 4 (47°12'N., 84°35'W.) – Smilsky Twp.: closed all year.

Lamon Creek and tributaries – Dennis Twp.: Apr. 15 - June 15.

Laundrie Lake – Howey Twp.: closed all year.

Laughing Creek – Peever Twp.: Apr. 15 - June 15.

Lauzon Creek – Long Twp. (Corp. of the Twp. of North Shore), between the Lake Lauzon Dam to the centre line of the CPR bridge within the Algoma Mill location: Aug. 1 - Apr. 14.

Little Turkey Lake – Wishart Twp.: closed all year.

Lower Bass Lake – Belfast Twp.: Jan. 1 - Jan. 31.

Mamainse Creek and tributaries – within the A. McDonnell Mining location and the North Montreal (Sand Bay) Mining location except the portion between centre of Hwy. 17 and Lake Superior shore: Apr. 15 - June 15.

Wabigoon River – Satterly Twp., Snake Bay Road to the Wabigoon Lake Indian Reserve: Apr. 1 - May 31.

Wabigoon Lake – Zealand Twp.: 100m from Christie Island: Apr. 1 - May 31.

Winnipeg River (west branch) – from Norman Dam to westerly tip of Tunnel Island and northerly point of Patent Property A-16: Apr. 1 - May 31.

Division 26

Gull Creek – Scholes and Phyllis Twps., from dam at outlet of Gull Lake to 200m in an arc extending into Lake Temagami: Mar. 16 - May 20 (Fri. before 3rd Sat.).

Kokoko Bay – Joan Twp., of Lake Temagami: Mar. 16 - May 20 (Fri. before 3rd Sat.).

Spawning Creek – Briggs and Joan Twps., from Spawning Lake including all waters of Spawning Bay and Loon Bay: Mar. 16 - May 20 (Fri. before 3rd Sat.).

Triangle Bay of southwest arm of Lake Temagami – Phyllis and Vogt Twps.: Mar. 16 - May 20 (Fri. before 3rd Sat.).

Division 30

Root River – between latitudes 50°39'N., and 50°42'30"N.: Jan. 1 - June 21 & Dec. 1 - Dec. 31.

Root River – between latitudes 50°52'30"N. and 50°42'30"W.: Jan. 1 - June 21 & Sept. 1 - Dec. 31.

Vaughan Lake – (50°13'N., 92°22'W.): Jan. 1 - June 5 & Dec. 1 - Dec. 31.

Wenesaga River – that part extending from the rapids to unnamed islands where the river enters Lac Seul: Apr. 14 - May 31.

Division 31

Alford Lake – Graves Twp.: closed all year.

Annis Lake – (50°30'N., 91°48'W.): Jan. 1 - Feb. 28 (last day) & Apr. 1 - Dec. 31.

Bruce Lake – from Bruce Creek at Hwy. 105 north to, and including, the south half of Bruce Lake: Apr. 15 - May 31.

Chukuni River – McDonough and Bateman Twps., from Pine Ridge Road south to Red Lake, including part of Hoyles Bay: Apr. 15 - May 31.

Chukuni River and Hoyles Bay of Red Lake – McDonough Twp., from Pine Ridge Road to waters between East Narrows and peninsula on west shore of Hoyles Bay: Apr. 15 - May 31.

Corallen Lake – Graves Twp.: closed all year.

Fisherman's Bay of Pakwash Lake – (50°46'N., 93°32'W.): Apr. 15 - May 31.

Flash Lake – (50°30'N., 91°49'W.): Jan. 1 - Feb. 28 (last day) & Apr. 1 - Dec. 31.

Golden Creek – Bateman Twp., from Pine Ridge Road south to Red Lake, including part of East Bay: Apr. 15 - May 31.

Holger Lake – (50°19'N., 91°36'W.): closed all year.

Lee Lake – Mulcahy and Killala Twps.: Mar. 1 - Dec. 31.

Para Lake – Fairlie Twp.: closed all year.

Parker Creek – Fairlie Twp., from the Parker Lake to Red Lake, including an unnamed bay: Apr. 15 - May 31.

Perdue Lake – (50°29'N., 91°50'W.): Jan. 1 - Feb. 28 (last day) & Apr. 1 - Dec. 31.

Ranger Creek – Ranger Twp., from Ranger Lake to Gullrock Lake, including part of North Bay: Apr. 15 - May 31.

Savant Lake (North Arm) – Savant Twp.: Apr. 15 - June 20.

Spearn Lake – (50°29'N., 91°45'W.): Jan. 1 - Feb. 28 (last day) & Apr. 1 - Dec. 31.

Standard Lake – (50°30'N., 91°48'W.): Jan. 1 - Feb. 28 (last day) & Apr. 1 - Dec. 31.

32-Island Lake – (51°09'N., 94°05'W.): closed all year.

Unnamed Lake – (50°29'N., 91°49'W.): Jan. 1 - Feb. 28 (last day) & Apr. 1 - Dec. 31.

Vermilion River and tributaries – between Elbow Lake and Expanse Lake: Apr. 14 - June 5.

Whiteass Lake – (51°11'N., 94°03'W.): closed all year.

Division 32

Circuit Lakes extending downstream from the outflow of Snow Lake and the outflow of Abie Lake in Mormion Lake to the first narrows: Mar. 15 - May 20 (Fri. before 3rd Sat.)

Crook Lake – (49°04'N., 92°08'W.): Feb. 1 - June 30 & Aug. 1 - Dec. 31.

Lilac Lake – (48°18'N., 92°23'W.), between Little Vermilion Lake and Lac la Croix: Jan. 1 - May 31 & Oct. 1 - Dec. 31.

Little Grey Trout Lake – (49°03'N., 92°03'W.): Feb. 1 - June 30 & Aug. 1 - Dec. 31.

Rutter Lake – (49°04'N., 92°12'W.): Feb. 1 - June 30 & Aug. 1 - Dec. 31.

Secret Lake – (49°05'N., 92°09'W.): Feb. 1 - June 30 & Aug. 1 - Dec. 31.

Trout Lake – (48°17'N., 92°21'W.), between Little Vermilion Lake and Lac la Croix: Jan. 1 - May 31 & Oct. 1 - Dec. 31.

White Otter Lake – (49°07'N., 91°52'W.): May 15 - June 15.

ONTARIO RECORD FISH REGISTRY

The Ontario Federation of Anglers and Hunters operates the Ontario Record Fish Registry. This registry recognizes the largest fish caught in Ontario of each of 47 species. For more information, please contact

The Ontario Federation of Anglers
and Hunters

P.O. Box 2800

Peterborough, Ontario K9J 8L5

Phone: (705) 748-6324

Fax: (705) 748-9577

WORKING AROUND WATER

Many people do not realize the value of fish habitat – or how easily it can be destroyed. Fish habitat includes not only the water in rivers, lakes and streams but the total surroundings. Plants and other life forms interact to make life possible for fish. What happens to the plants and even the soil beside a body of water affects the fish that swim in it. **By law, you *must* obtain a permit from the local MNR office before starting any work (e.g. dock construction) on stream and river banks or lake shores.**

Working together, we can protect our aquatic resources!

POACHING IS STEALING

Report violations immediately to the nearest MNR office, the Ontario Provincial Police or the local police or Crime Stoppers. Penalty for any violation of the Game and Fish Act is up to \$25,000 and, in the case of a conviction for careless hunting, may also involve imprisonment up to one year.
